

# **2019 Fairmont Police Annual Report**

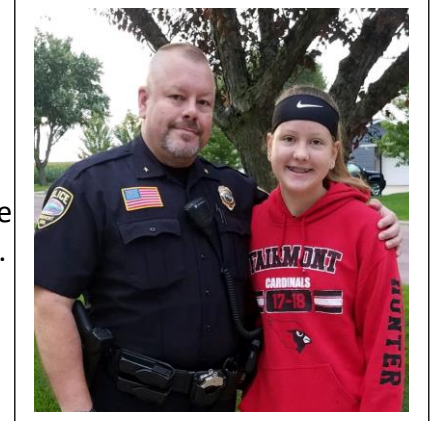

*Proudly prepared January 2020 for those we serve,*

*The Citizens of Fairmont.*

# *Letter from the Chief*

I am once again very proud to present the 2019 Fairmont Police Annual Report. 2019 presented some changes and challenges and we appreciate the continued support of the community as we move forward into 2020.

In 2019 we had a couple of personnel changes within the department. Officer Brad Buhmann retired in October of 2019 after serving our community since 1992. With his retirement, we hired Dayton Asmus as our newest fulltime officer in November of 2019. We also hired two new part time patrol officers in 2019. Officer Luis Figueroa was hired in July of 2019 and Officer Will Murray was hired in November of 2019 to fill out our part time officer roster. Officer Murray was hired to work hours as the new School Resource Officer under our new partnership with Southern Plains Educational Cooperative and Arise Academy.

During 2019 our officers responded to 10,082 calls for service in our community. This is a slight 9% decrease in calls of 11,079 from 2018. However, recent statistics released from the Martin County Attorney's Office illustrate the increase in the complexity of certain calls that require additional documentation and follow up, increasing the amount of time officers spend on calls. During 2019 we continued to deal with some work related injuries that impacted our schedule, but our officers worked hard to insure this did not impact the quality of service for our community. Our officers and staff have continued to embrace the operational belief that we don't focus on problems, we focus on solutions. With that, our staff developed a new patrol schedule for 2020 that will have a positive effect on our department's overtime hours for shift coverage. Our staff also developed a new case file tracking system in June of 2019 which enhances the partnership with our prosecuting attorneys to better serve victims in our community. This includes a quarterly audit of the cases that are sent to the appropriate attorney for review and prosecution. We closed out 2019 with some technology based improvements that should be fully implemented during the first part of 2020. This includes a new backup server we share with Martin County for our WatchGuard Video System for our squad car and body camera systems. We also implemented iCrimeFighter as a digital documentation system that allows us to effectively store and share case file information with the appropriate attorneys without the creating a DVD for every piece of digital evidence. This process saves our records staff several hours during their work week.

As we closed out 2019, we have laid the groundwork for Fairmont Police 2020 Vision Plan. This is a comprehensive long term plan that will map our several issues that we as a department will seek to accomplish beginning in 2020. We wish thank the community for its continued support and it is truly a privilege to serve the City of Fairmont.

Respectfully Submitted,  
*Chief Michael Hunter*

## 2019 FPD Retirements

Photo Credit: Fairmont Sentinel [www.fairmontsentinel.com](http://www.fairmontsentinel.com)

**Officer Brad Buhmann**

**Officer Brad Buhmann.** In October of 2019, Officer Brad Buhmann retired from the Fairmont Police Department after serving our community since 1992. Officer Buhmann is a native of Fairmont and a graduate of Fairmont Senior High School. He is proud to have served the community he grew up in. Officer Buhmann has served in several capacities during his time with FPD and we wish him all the best with his future plans.

*2001 Ford Crown Victoria Squad #5 (Officer Buhmann's preferred squad)*

# 2019 New Officers

In 2019 our agency conducted a hiring processes to fill a full time officer position due to the retirement of Officer Brad Buhmann. Minnesota is seeing similar trends to ones across the nation that seeing a very low number of applicants for law enforcement positions. Our agency continues to focus on recruiting the best applicants to find those who will best serve our community. We added one new full time officer and two new part time officers to our staff in 2019.

*Photo Credit: Fairmont Sentinel [www.fairmontsentinel.com](http://www.fairmontsentinel.com)*

**Officer Dayton Asmus**  
**November 21, 2019 to present**

Officer Dayton Asmus originally joined FPD as a part time officer in October of 2017. He was then promoted to his current full time position in November of 2019. Officer Asmus is from Fairmont and is a graduate of Fairmont Senior High School. Officer Asmus later graduated from Alexandria Technical College with an AAS in Law Enforcement. Officer Asmus has also worked for the Sherburn/Welch Police Department and the Trimont Police Department. Officer Asmus is very excited about the opportunity to serve his hometown and we are excited to have him as part of our department.

## 2019 New Officers

**Officer Luis Figueroa**  
**July 23, 2019 to Present**

Officer Luis Figueroa joined FPD as a part time patrol officer in July of 2019. Officer Figueroa was working part time for the Martin County Sheriff's Office, Sherburn/Welch and Truman Police Departments. He was later hired as a full time deputy with Martin County and continues to work part time for our community. Officer Figueroa is a graduate of Fairmont Senior High School and Alexandria Technical College and previously served our community as a Summer Intern while he was attending college. Officer Figueroa is very happy to be working in the area he calls home and we are very happy he is part of FPD.

**Officer Will Murray**  
**November 7, 2019 to Present**

Officer Will Murray joined FPD as a part time patrol officer in November of 2019. Officer Murray was hired to fill part time hours as the School Resource Officer at Arise Academy under our partnership with Southern Plains Educational Cooperative. Officer Murray is a graduate of

Watertown-Mayer High School. Officer Murray holds a Bachelor of Science Degree from the University of Minnesota and an Associate Degree in Law Enforcement from Inver Hills Community College. Officer Murray comes to us after serving with the City of Mound Police Department, Cherokee, IA Police Department and the City of Jackson Police Department. The City of Jackson later contracted with the Jackson County Sheriff's Office and Officer Murray worked in several capacities for JCSO. Officer Murray may look like a familiar face to our community as he has previously served our community as a part time police officer in 2007 before taking the full time position with Jackson Police Department. We are pleased to have Officer Murray back with the Fairmont Police Department.

# 2019 Officer of the Year

*2019 Officer of the Year, Sgt. Chad Sanow*

We are very pleased to announce that Sergeant Chad Sanow was nominated by his coworkers and has been named the **2019 Officer of the Year**. Sergeant Sanow volunteered to take on a new position we established in early 2019 within the Fairmont Police Department. We re-organized our former Detective position into an Operations and Investigations Sergeant to improve the management and follow up of case files within the Fairmont Police Department. This position involved organizing and fostering a team focus to case file follow up by our officers. Sergeant Sanow was able to work towards expediting case file follow up and resolution as well as greatly improving the communication between the police department and our prosecuting attorneys. This includes being our officer designated to work with our records technicians on preparing our newly developed quarterly case file audit and presenting the information to our local prosecutors. This responsibility helps to insure that cases are reviewed and resolved in a timely manner. Even with his additional duties in his new role, Sergeant Sanow continued to aggressively work towards resolving cases for victims of criminal offenses in our community and was responsible for resolving numerous felony level cases during 2019. Sergeant Sanow also serves as our department training officer and is responsible for overseeing and documenting all department training and ensuring our officers are the best trained in the area. Sergeant Sanow greatly enjoys the opportunity to work with all the officers in our department and he appreciates the community support we have here in Fairmont.

We congratulate Sergeant Sanow on being selected as the 2019 Officer of the Year. We believe his contribution to our team focus within our department and his commitment to our community is a positive representation of the Fair, Professional, and Dedicated service our officers provide in Fairmont.

# 2019 School Resource Officer

*School Resource Officer Shannon Bass*

In 2017, the Fairmont Police Department entered into an agreement with Fairmont Area Schools which commenced on July 1, 2017 and continues through June 30, 2020. This partnership re-established our former School Resource Officer position back in our local school district. Sergeant Beletti was selected for the 2017-2018 school year and was a patrol officer at the time. During the summer of 2018 Sergeant Beletti was promoted to his current position as Sergeant which left an opening for the School Resource Officer for the 2018 school year. Officer Jason Christenson was selected for the position for the 2018 school year and began his duties in late August. In Late November 2019 Officer Shannon Bass was selected to take over the duties as SRO as Officer Christenson stepped down to return to his patrol duties. Officer Bass has an office at Fairmont Jr/Sr High School and also regularly visits and works closely with the Fairmont Elementary School.

Roles of the SRO include assisting with promoting and providing a safe learning environment for staff and students, investigation of crimes committed on school grounds, being available to assist with projects and programs, and to establish positive relationships and rapport with the students and staff. The SRO interacts with students on a daily basis and often times visits with classrooms to provide law enforcement related education as a guest speaker to spending time chatting with students at their tables in the lunch room. The SRO has also been assigned to investigate Child Protection cases that are screened in by Human Services.

Officer Bass is a member of Fairmont Jr/Sr High School's Student Support Team which is comprised of administrative staff. This group focuses on assisting students who are struggling academically and/or are experiencing other issues. Officer Bass provides insight on issues that students may be having outside of school that administration is unaware of. Officer Bass also meets one on one with students who may be going through difficult times in their life to help them think of better options and make better decisions. Officer Bass also represents the Fairmont Police Department as part of the Martin County Substance Abuse Prevention Coalition, and the Adopt-A-Cop program at Fairmont Elementary School as part of his SRO duties. Officer Bass can also be seen attending many of the Fairmont Schools extracurricular activities.

We are very pleased to have this partnership and we thank the Fairmont Area School District and the community for their support of the SRO program.

# 2019 Records Department

*Records Technicians Renae Janssen and Tegan Quade*

In 2019 the Fairmont Police Records Division continues to be staffed by our two hard working Records Technicians, Renae Janssen and Tegan Quade. We are proud to have two employees who are very experienced in all that goes into maintaining our department records and the numerous other duties that they coordinate for our department and our community. Renae Janssen has been serving our community since January of 1989 and Tegan Quade has been serving since October of 2009. Our records division is responsible for numerous assignments including customer service at the Law Enforcement Center, reviewing and processing data requests, reporting crime stats, maintaining our records system, processing gun permits to purchase, responding to requests from attorneys, maintaining and organizing our evidence room, tracking property and evidence, maintaining record retention schedules, transcription of statements, and administrative support to the Chief, Captain, and Patrol Officers. Our records staff were the ones who were responsible for developing our current case file tracking system that is used to audit the case files that were sent to prosecuting attorneys.

In 2019 we are well ahead of the FBI NIBRS-only data collection date is set for January of 2021 as we completed our first full year of NIBRS. We resolved the Windows 10 issues for us with our current transcription software. In 2019 we also transitioned to paperless evidence tracking with our updated evidence software. The implementation of iCrimeFighter software will help reduce some of the hours that records have been spending on making DVD copies of evidence for the various attorneys. In 2020 we look forward to establishing some new tracking reports to stay ahead of current trends in law enforcement. As other duties and responsibilities are placed upon our records technicians, we appreciate the quality daily work they provide in support of the services we provide in our community.

## 2019 Fairmont Police Department K-9 Unit

*K9 Titus at the 2019 Patrol Dog Certification Trial in Lino Lakes, MN*

During 2017 our department began the process to re-establish our long history with the K9 program as a goal for 2018. This included working with the City Administrator and City Council to place this resource back into our budget. It also included the selection process of our new K9 officer and making arrangements to find an approved training program and purchase our new dog. In February of 2018, Sergeant James Tietje was selected as the new K9 officer and shortly after met his new partner, K9 “Titus”. Titus is a pure bred German Shepherd that was born in Germany. Titus was 16 months old when he made the trip from Germany to a K9 vendor in Ohio. Titus and Sgt. Tietje had two weeks to become acquainted before starting K9 school through the Minneapolis Police Department.

Titus is a dual purpose K9. Dual purpose means that he is certified to detect the odor of controlled substances as well as apprehend criminals. Titus is able to track (follow human scent on the ground), find and fetch articles that may be discarded by criminals, and apprehend criminals. Titus must also be able to complete agility obstacles as well as be trained in obedience. Titus and Sgt. Tietje must maintain a documented 16 hours of training together every month as well as a yearly certification trial for both controlled substance and apprehension. Titus is currently certified through the United States Police Canine Association (USPCA).

Since being back on the street, Titus and Sgt. Tietje have been utilized multiple times for incidents ranging from controlled substance vehicle and building sniffs, to assisting in the arrest of criminal suspects. We continue to have a great relationship with surrounding agencies. The

Fairmont Police Department has been able to help surrounding agencies on more than one occasion with our new K9 team. It our goal that our agency will continue to be a leader and foster positive relationships with law enforcement agencies in our area and the sharing of this resource is just one of those ways we can make a difference.

Titus is well trained and very social. Titus regularly visits the school and Sgt. Tietje's Adopt-A-Cop classroom and spends time with family at home when not on duty.

We are very grateful to the City and Community for having the opportunity to continue with the K9 program. Our K9 program has had great success over the years which included a former national champion K9 team in the 1970s with Sergeant Jerry Wolff. We look forward to continuing the long standing tradition of success that the Fairmont Police K9 program has had over the years.

*Sgt. James Tietje and K-9 "Titus"*

# 2019 FAIRMONT NIGHT OUT

The Fairmont Police Department held another “Fairmont Night Out” event August 6, 2019 in Gomsrud Park. The Fairmont Officers served more than 375 meals that night and had great conversations with members of the community. The event had many emergency vehicles on display from the police department and other emergency vehicles from the Fairmont Fire Department and Mayo Ambulance. The Fairmont Police Department has continued with positive relationships with these emergency response agencies in which each of these agencies have found to be beneficial to our community. The Fairmont Fire Department was the winner this year of the beanbag toss but it was all for a good time.

The purpose of the annual event is for our officers and staff to say thank you to the community we serve and show our appreciation for the support we receive in Fairmont. There have been many new hires in the police department in recent years and the event offered the community an informal opportunity to meet the new officers and reconnect with our entire staff. The event also allowed community members to ask questions that were important to them and to receive valuable information that we were able to provide. We look forward to this continuing as an annual event as a small gesture of thanks for all the support and letting our community members know that it is truly an honor to serve our Fairmont community.

*2019 Fairmont Night Out officers and staff.*

*2019 K-9 demonstration with Titus and Sergeant Tietje and Officer Hagert taking the “bite”*

# 2019 Adopt-A-Cop

*Sergeant Tietje and K-9 Titus during an Adopt a Cop Tour of the LEC*

*Officer Josh Walker and Mrs. Walters' class visiting Judge Trushenski*

In 2019 the Fairmont Police Department continued the Adopt-A-Cop program in partnership with the local first grade students in our community. The focus of Adopt-A-Cop is to build rapport with children in our community by interacting with them early and often. By doing so, we are building relationships with our youth and starting positive conversations at home. Sergeant Michael Beletti originally organized the Adopt-A-Cop program at the Fairmont Elementary School in September of 2017 with the assistance of school administrative staff and 1<sup>st</sup> grade teachers. This program would allow all first grade classrooms to “adopt” a Fairmont Police Officer for the school year. Adopt-A-Cop was given great media coverage by the Fairmont Sentinel, Facebook, and KEYC television in Mankato. Due to the program’s success, St. John Vianney Catholic School, St. Paul’s Lutheran School and Fairmont Christian School also adopted an officer into their 1<sup>st</sup> grade classrooms. Chief Michael Hunter presented a framed certificate to each classroom who adopted one of our officers for the school year. Eight Officers were adopted in total which included five classrooms at the Fairmont Elementary School along with one first grade class at St. John Vianney Catholic School, one first grade class at St. Paul’s Lutheran School, and one first grade class at Fairmont Christian School. There is truly no more rewarding feeling for our officers than having an entire first grade class welcome you to be part of their room for the school year.

Officers meet with their classroom monthly to participate in a variety of activities including reading books, assisting with class projects, presenting on safety topics, and enjoying the fabulous school lunch with the students.

Officers who volunteered to help make the 2019-2020 Adopt-A-Cop program a great success include Sergeant James Tietje, Sergeant Mike Beletti, Sergeant Chad Sanow, Officer Colin Hagert, Officer Craig Fowler, Officer Lily Paine, Officer Dayton Asmus and Officer Jason Christenson. We thank all the schools and staff that have welcomed our officers into their classrooms and look to continue this as a yearly partnership with our schools, staff, and students.

## 2019 CONTROLLED SUBSTANCE INVESTIGATIONS

During 2019 the Fairmont Police Department worked together on multiple narcotics cases and arrested multiple individuals on felony narcotics charges. Officers from our agency were able to work numerous cases using informants, information provided by concerned citizens and interdiction skills utilized during traffic stops to enforce the drug laws in our community. Our agency has also invested in training opportunities for its officers in specialized areas of narcotics recognition/safety/investigations, narcotics traffic interdiction, and narcotics detection utilizing a K9 unit.

Methamphetamine continues to be the focus of drug enforcement efforts in Fairmont in 2019. In 2019, there were a total of 38 individuals in Fairmont arrested for drugs categorized as Dangerous Non-narcotics which is the category that includes methamphetamines. This category is the same as the previous year of 2018 that ended with 38 individuals arrested in the same category and 40 individuals from five years ago in 2014. Marijuana charges ended at 20 for the year which is similar from 24 in 2018 but is up slightly from 18 arrests five years ago in 2014.

In 2019, the Fairmont Police Department has also continued their partnership with the Minnesota River Valley Drug Task Force (MRVDTF). Many of our investigations extend beyond the City of Fairmont and Martin County so we are dedicated to sharing information with outside agencies and partnering to assist in the apprehension of drug dealers and traffickers.

# 2019 Police Fleet Vehicles

Fairmont Police Department's fleet consists of nine All Wheel Drive (AWD) Ford Explorer Sport Utility Vehicles and one Ford F-150. Our department has a mix of owned and leased vehicles depending on the assignment. The majority of our marked squad cars are leased through the State of Minnesota Fleet Services which allows for a savings of operational costs with all maintenance and repairs being paid for by Fleet Services. Patrol squads are leased for three years before replacement with exception to the K9 squad, which is leased for five years.

Our Current Fleet consists of:

- Six fully marked squads assigned to the Patrol Unit
- One fully marked squad assigned to the K9 Unit
- One fully marked squad assigned to Animal Control/Code Enforcement
- One unmarked squad assigned to Investigations and Operations
- One unmarked squad assigned to the Patrol and Training Unit

Fully marked squads are equipped with a light bar, siren, laptop computer, WatchGuard audio/video recording, Stalker traffic radar, Automated External Defibrillator (AED), cage, and many other items to assist officers with providing a professional service. In 2018 we began to add the Opticom feature (Emergency Vehicle Preemption) to assist with emergency response through traffic signals currently on Highway 15. This feature will be fully incorporated into all marked squads in 2020.

In 2019, Ford Motor Company cancelled our order of leased squads due to re-tooling of their Ford Explorer line. We received two squads in late 2019 that are in the process of being set up for patrol. In 2020, we will continue with lease replacement of three additional squads. Additionally, in 2020 we will unveil an updated squad graphic on all of our marked squads.

Fairmont Police Department owns a Mobile Command Trailer, which can be utilized at crime scenes, major incidents, or public relations such as the Martin County Fair. We are continuing to look at options to update the Command Trailer to a self-contained Command Vehicle as a long-term goal.

# 2019 Animal Control and Code Enforcement

*Officer Dustin Schwebke and a stray dog looking for a home.*

In 2019, our community saw an increase in animal related calls up from 530 calls in 2018 to 566 in 2019. Animals at large (loose) continued to be the main complaint for both cats & dogs followed by barking & nuisance animal calls. Other calls contributing to the total included; lost/found animals, animals at large, injured animals, and miscellaneous nuisance animals like bats, squirrels, raccoons, woodchucks, and skunks. In 2019 there were eight animal bites reported to the police department. Five of those animals were deemed potentially dangerous and the owners were given further cautionary restrictions in writing along with citations when applicable. Of the eight animal bites, five took place on the owner's property where the animal resided. The Martin County Humane Society took in a total of 724 dogs & cats along with 22 other animals like birds, rabbits, guinea pigs, and a fish.

We observed a decrease in ordinance related calls down from 282 in 2018 to 216 in 2019. Solid waste (Fairmont Ordinance 22) and junk violations (Fairmont Ordinance 17) continue to be a primary focus of our ordinance enforcement efforts. We hope this is a trend in the right direction and will continue a proactive approach of getting violators in compliance. We will continue our push to inform the community on the solid waste & junk related ordinances through education and information with the City Newsletter, Fairmont Police Website, and the City of Fairmont Website that has all ordinances listed online.

In 2019, the City of Fairmont hired Peter Bode as a new Planner/Code Enforcement Technician. The Police Department will continue to work closely with Mr. Bode at City Hall as we

The new green colored community enhancement tag replaced our previous red warning tag saw positive results. The door hanging tags are left at a home when the resident is not home and a violation is observed by an officer who notes the violation on the green tag. The tag is printed in both English and Spanish languages. Officers check back to see if compliance was met and if not a citation may be issued or a deadline to comply is set with the violator. We hope this new tag will continue to education the community and decrease ordinance violations as we continue our focus on proactive enforcement of animal and ordinance related offenses in 2020.

# 2019 Fairmont Police Social Media

Fairmont Police Department has been operating a Facebook page for nearly three years. The most recent figures show nearly 2,400 unique followers to the page, which is a gain of approximately 400 followers in 2019. Our posts in 2019 include traffic alerts/no travel advisories, road closure notices, power outages, and promotion of community events including Fairmont Night Out, Responsible Beverage Server Training among many other posts. The highest viewed post (36.7K views) was on February 23, 2019 regarding a no travel advisory including local road closures due to a winter storm.

Our Facebook page is monitored and updated by administration and patrol officers assigned to our social media program. We follow Fairmont Police Department Policy 10.03 on social media and our posts are stored and retained in accordance with current data practices law of the State of Minnesota. Our goal is to continue providing useful information to a generation of citizens who receive their news from social media. Our goal is never to debate with those who view our social media. Our goal to inform our community of events in our department. If members of our community have a concern, we always feel that sitting down and communicating face to face is the best way to resolve a concern and not air issues on social media.

You can locate our page by searching “Fairmont Police Department” on Facebook or using the link on our website (<https://www.fairmontpolice.org>). We look forward in 2020 to continuing our involvement with social media to keep our community updated with the happenings at Fairmont Police Department.

<https://www.facebook.com/fairmontminnpd/>

# 2019 Fairmont Crisis Intervention Team

The members of the Fairmont Police Department trained as our Crisis Intervention Team (CIT) have effectively deescalated situations that in the past few years most likely would have resulted in a physical confrontation. Current members are Sergeant James Kotewa, Officer Bryan Boltjes, Officer Jaime Bleess, Officer Shannon Bass, and Officer Joshua Walker. The Fairmont CIT officers complete an intense 40-hour training hosted by the Crisis Intervention Team of Minnesota.

The Fairmont Police Department currently has five CIT trained officers which is well above the current state average for law enforcement agencies. The CIT officers are also used in situations where it may have not been a mental health crisis but when someone was under a large amount of stress such as during ambulance calls or death notifications. The Fairmont Police Department is recognizing a growing percentage of the calls the police department handles during the year are involving a person in crisis. The CIT Team has also done presentations to local public and private groups and organizations related to the services our CIT officers provide. Officers are working cooperatively with outside resources to better help those in crisis.

A person experiencing a mental health crisis presents some of the most intricate, dangerous, and unstable conditions that a police officer may encounter. The members of the Fairmont Police Crisis Intervention Team have learned techniques to attempt to safely de-escalate and defuse these crisis situations with a focus on citizen and officer safety.

The mission of the Crisis Intervention Team is to help alleviate the problem with safety and compassionately handling a person in a mental health crisis. The training received is based upon the Memphis Crisis Intervention Team (CIT) model, which promotes the use of verbal de-escalation skills before using force when confronting a mental health crisis. CIT training has been proven to dramatically decrease the risk of injuries or death to both officers and consumers of mental health services, while also reducing the number of repeat calls. We understand and acknowledge the fact that dealing with a person in crisis is often unpredictable and there is no guarantee that crisis intervention techniques will be effective in every situation without the incident resulting in use of force for the safety of the citizens and the officer. Our goal is to give our officers and community another tool to work towards a peaceful resolution to an incident when dealing with a person in crisis. Over the next couple of years, all of our licensed officers will receive instruction to meet the POST required learning objective for de-escalation training.

## 2019 Citizens On Patrol (C.O.P)

The Citizens On Patrol (COP) program completed its 14<sup>th</sup> year of service to the City of Fairmont in 2019. The six members of the 2019 COP team from local VFW Post 1222 were; Harry Brumbaugh, Steve Langford, Dennis Madsen, Darrel Krahler, Art Elliott, and Ron Glidden. Harry Brumbaugh serves as the internal coordinator for the group and as the liaison to the Fairmont PD. Captain Eric Tonder and Officer Craig Fowler supervise the COP Program for the department.

Each COP member volunteers their time to help the Fairmont PD function more efficiently by assisting with events that require additional people. The COP members are provided with a light blue polo shirt, jacket, flashlight, and OC spray. Each COP wears their VFW Post baseball cap in recognition of their honorable service to our country and their membership to the organization. The COPs are given training on OC usage and conflict resolution. Their civilian duties are to observe and report, not to directly engage in any conflict.

In 2019 the COPs continued their efforts assisting the department with numerous activities. Their presence can be seen at traffic and crowd control for parades, street dances, 4<sup>th</sup> of July fireworks display, Fairmont Triathlon, extended fire calls, severe accidents and whenever needed. The COPs provide foot patrol and security at the Martin County Fair annually to help maintain a safe and fun atmosphere for all fair attendees. COPs organize two person checks throughout the year patrolling our local parks to provide a presence and having positive contacts with the public. COPs are on the lookout for criminal activity like vandalism or exhibition driving in the parks and they contact an on duty officer to respond as needed. The COPs also conduct house checks for those residents that ask the Fairmont PD to provide extra patrol of their home when leaving on vacation or when gone for the winter months or an extended period of time.

The COPs provide a valuable service to the Fairmont PD and the community. They donate hundreds of hours of their time annually, often during the holidays, and we are very thankful for their dedicated service to the department and the citizens of Fairmont. We hope that area residents will take the time to thank a COP for volunteering their time and for their military service to our country.

# 2019 Police Civil Service Commission

*Ford Explorer Police Service Package*

The Fairmont Police Civil Service Commission is comprised of three community members who are responsible for providing civilian assistance and oversight to the Fairmont Police Department with regards to personnel related issues including initial hiring, promotions, and other civil service related activities. The Police Civil Service Commission adheres to the rules and regulations set for the in the Police Civil Service Commission policy book and Minnesota State Law. Police Civil Service Commission members are appointed to a three-year term at the approval of the City Council.

For the majority of 2019 the Fairmont Police Civil Service Commission was comprised of Dan Thiesse, John Korsmo, and Daron Johnson. Near the end of 2019, Daron Johnson stepped down from his position on the Commission. We thank him for his time and service on the Civil Service Commission. As a result, Paula Eppens was nominated and then approved by the City Council to fill Daron Johnson's seat on the Commission. These Commission members volunteer their time to insure that the voice of the community we serve is heard with regards to the operations of the Fairmont Police Department. We thank our current Commission and look forward to continuing our positive working relationship in 2020.

## 2019 Emergency Response Unit (ERU)

In 2019, the Fairmont Police Department continued its association with the regional High Risk Entry and Arrest Team (HEAT). The team is a joint powers coalition that consists of approx. 24 tactical officers, two trained negotiators, three tactical dispatchers and a team medic. The team provides service to the Minnesota cities of Fairmont, Truman, Sherburn, Welcome, Jackson, St. James, Windom, Mountain Lake, Lakefield, Slayton and Westbrook, along with the Minnesota counties of Martin, Murray, Jackson, Rock, Pipestone, Cottonwood, and Watonwan. The team also provides service to the Iowa cities of Armstrong, Estherville, Spirit Lake, Okoboji, Arnold's Park, Milford, Lake Park, and Spencer, along with the Iowa counties of Dickinson and Clay. The HEAT Team provides coverage to an area of approx. 4600 square miles with a population of approx. 110,000 people. In 2019 the HEAT Team was activated six times and responded to situations ranging from barricaded armed suspects, to serving high risk narcotics warrants.

The picture above was taken just outside Windom, MN in early 2019.

The team members are officers and deputies of the coalition agencies and conduct monthly training sessions as part of their membership. In 2019 the team also conducted a multi-day training at Camp Dodge, in Johnston, IA. The team conducts the multi-day training once a year to utilize the various military training facilities on base in a controlled and structured environment. All members of the team are required to carry their cell phones with them on and off duty which is the method that the team uses to page out members for a request for assistance.

In 2018 the team was able to acquire a robot (RoboteX Avatar Tactical Robot) with tracks that will allow the team to clear buildings from a safe distance, assist with a two-way communication system and is equipped with infrared vision. The track system equipped to the robot allows operators to navigate through various terrain including stairs, sand, clothing, grass and many more.

**RoboteX Avatar Tactical Robot**

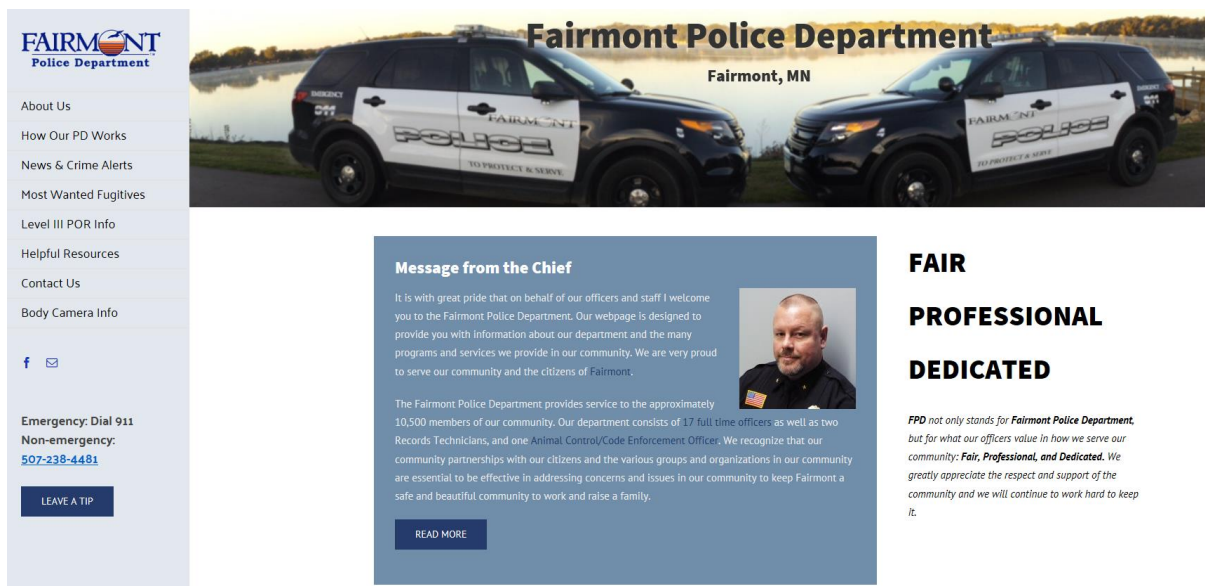

In 2019 Team members from the Fairmont Police Department included Sergeant James Tietje and Officer Josh Nelson. Officer Josh Nelson was added to the team in February 2018 and was a previous member of the HEAT Team while employed with the Sherburn/Welcome Police Department in 2014 to 2015. Officer Josh Nelson has also served as an operator on the Dakota/Rice County MAAG (Multi Assist Agency Group) Team during his employment with the City of Northfield. Sgt. James Tietje became a K9 officer in 2018 and stepped down as a team leader, ending his three years of service in that leadership role. Sgt. Tietje's K9 partner Titus is also considered an active member of the HEAT Team and trains with the team on a monthly basis.

In 2018 the team added the assistance of Dickinson County Emergency Management Coordinator Michael Ehret. Michael Ehret brings on a second drone for the team. The drone, like the other, uses a thermographic camera that sense infrared radiation. This drone can be used to go where it would potentially be unsafe for officers to locate suspects or missing persons. The drone is available to member agencies through the ERU Team.

# 2019 Fairmont Police Department Website

Fairmont Police Department's website (<https://www.fairmontpolice.org>) is a useful to obtain contact information for services throughout our community. The website is utilized to keep our citizens informed of News & Alerts, Helpful Resources, Officer Biographies, and Level Three Predatory Offender Notifications. The website is user friendly for our mobile users on cell phones and tablets.

Under the "Contact Us" tab, citizens are able to provide information to the police department via an email tip line. We receive many tips throughout the year, some of which result in the arrest of individuals with active arrest warrants, tips on controlled substance use, and requests for extra patrol among others.

We utilize our "Helpful Resources" tab to provide information on several useful forms including a range of commonly used forms, current and past annual reports along with many other links to State, Federal, and Local resources. We do not accept outside advertising on our Website.

At times of hiring, we utilize the Fairmont Police Department Website to promote job opportunities. Candidates are able to research our department, which gives them a good knowledge base of what FPD has to offer. Application materials are located online for easy access to those applicants who live out of the area.

Citizens interested in the operation of Fairmont Police Department can obtain information from the "How our PD Works" link. This will provide a description of all positions throughout the police department including assigned personnel. Use the "About Us" link to read biographies about all of our current department personnel.

# 2019 Alcohol Sales Education and Enforcement

The sale of alcohol is a legitimate business that plays a valid role in our community. The Fairmont Police Department prides itself on being a professional and pro-active law enforcement agency. Selling alcohol is a privilege that has very specific responsibilities attached to it. Our goal is to keep our community safe of alcohol related injuries and deaths. We work toward that goal through education to help keep our area businesses & servers protected from criminal and civil liability and through alcohol compliance checks of area businesses. We are thankful for having a positive relationship with area businesses that sell alcohol and we strive to work together.

In 2019 the Fairmont Police Department, in partnership with the Martin County Substance Abuse Prevention (MCSAP) Coalition, presented “Responsible Beverage Server Training” (RBST) to all employees of businesses licensed to sell alcohol within Martin County in May with over 50 people in attendance. This course is meant to educate servers on the laws governing the sale of alcohol, how to properly check identification, and how to avoid civil lawsuits. The training is offered on an annual basis and upon request for seasonal employees or special event volunteers within Martin County. RBST is provided free of charge to all attendees and often provides businesses with a discount in their insurance costs for attending. Each attendee receives a certificate of completion after attending the training.

The Fairmont Police Department conducts alcohol compliance checks of all businesses licensed to sell alcohol within the City of Fairmont. These checks are done during the twelve months following the annual training offered to business employees. Adult buyers, under 21 years of age and under the supervision of a Fairmont Police Officer, attempt to order or buy alcohol at a business. Buyers do not dress up to look older nor do they have any ID on their person during the checks. We want every business to require proper ID to verify that customers are 21 years of age or older and deny the sale of alcohol to the buyer or any person under 21. The purpose of the compliance checks is to enforce liquor sale laws within the City. Our goal with the annual checks is 100% compliance from all businesses by denying sales to all buyers and subsequently all persons under 21 that attempt to purchase alcohol. There were no alcohol compliance failures in 2019. Responsible Beverage Server Training and Alcohol Compliance Checks are organized & conducted by Captain Eric Tonder.

## 2019 Active Shooter/Workplace Violence Training

*Active Shooter training instructors at Fairmont High School 2019*

In 2019 The Fairmont Police Department again offered its training services to local businesses and schools. The goal of our training team is to save lives by keeping people informed and giving them ideas of what can be done in a critical incident. We say every training that we hope this is the best training you will never have to use.

Chief Michael Hunter helped establish our current workplace violence and active shooter training and resources along with Sgt. James Tietje who is now in charge of setting up and conducting the training. We partnered with Martin County Sheriff's Office Deputy Cory Ballard so we could establish a consistent training program that we could teach throughout the Martin County area. In 2018 Sergeant Beletti became an official part of the training team. Sgt. Tietje, Sgt. Beletti, and Deputy Ballard all attended ALICE Instructor School in 2018. All three of the instructors have received extensive training in various aspects of workplace violence and active shooter response over the years. Sgt. Tietje and Deputy Ballard were certified to teach response to active shooter and explosive devices through a grant through Homeland Security and Emergency Management and attended a week long training in New Mexico. Sgt. Tietje and Deputy Ballard are also certified instructors in 3-ECHO response for law enforcement, fire, and ambulance personnel to respond to incidents of violence in a coordinated effort to provide immediate emergency care for any injured persons.

In the fall of 2019, Sgt. Tietje and Deputy Ballard were able to attend an Instructor Course through the Department of Homeland Security. They are not certified instructors to

teach Officer Responses to Active Threats. Meaning they will now instruct our local officers in the proper response techniques to active threats/shooters.

Our Active Shooter Training Team has started instructing Fairmont Area Schools on an annual basis. In 2019, our training team provided trainings and consultations to many area schools. We also put on two different trainings for local churches that inquired about the training. We are already in the process of lining up further trainings for schools and businesses in 2020. Our goal is to keep this training as a free service to those in the Martin County Area that are interested.

## 2019 MCSAP (Martin County Substance Abuse Prevention) Coalition

The Fairmont Police Department has been an active member of the Martin County Substance Abuse Prevention (MCSAP) Coalition since it was founded in 2011 as the Fairmont Substance Abuse Prevention (FSAP) Coalition. FSAP was funded through a five-year grant provided by the MN Department of Human Services, Alcohol and Drug Abuse Division. In 2016 a federal Drug-Free Communities grant was awarded to expand efforts throughout Martin County. MCSAP is a group of caring community members, school staff, students, elected officials, media, law enforcement, spiritual and business leaders who work together to prevent underage use and abuse of alcohol, tobacco, and other drugs in Martin County youth. MCSAP primarily works to share resources, ideas, and information to raise community awareness in order to create lasting community change through universal prevention strategies.

In 2018 Sergeant Mike Beletti started out the year representing our department as the School Resource Officer as part of MCSAP at coalition meetings and at MCSAP events. These duties were then transitioned to our new School Resource Officer Jason Christenson during the summer of 2018. In late November 2019 these duties were transferred to the new School Resource Officer Shannon Bass. Captain Eric Tonder partnered together with MCSAP to offer a free Responsible Beverage Server Training to 64 community members in May at the Red Rock Center. Officer Jason Christenson also worked with MCSAP in providing a free Tobacco Sales Education training held at the Southern Minnesota Educational Campus in which 19 community members attended. In December 2018 the Coalition was able to work with the Fairmont City Council and the City of Fairmont officially adopted the Social Host Ordinance. The Social Host Ordinance will allow individuals to be held responsible if are found to be providing a place for underage drinking and drug use.

In September the coalition partnered with the American Lung Association to provide the community with a “What is Vaping” presentation held at the Fairmont High School. This presentation informed community members of vaping statistics of youths and the dangers they pose to children under 18. Also in December, the coalition held a Town Hall meeting at the Holiday Inn open to the public to discuss underage drinking and underage smoking.

MCSAP partnered with Epiphany Community Services in an effort to keep alcohol out of youth’s hands from within their own home. Epiphany Community Services provided stickers to coalition members to hand out to the community as a trial run. These stickers can be placed around the cap of a liquor bottle and it will indicate if it is tampered with by reading “void” or “open”.

We are very pleased to be a part of this hard working group and the positive impact they are making in the Fairmont and Martin County area.

# 2019 Tobacco Sales Education and Compliance

*Officer Christenson (FPD), Steph Johnson (MCSAP), Kaley Hernandez (SHIP) presenting Tobacco Sales Education in November*

In September of 2019, Officer Jason Christenson with the Fairmont Police Department worked together with the Martin County Substance Abuse Prevention Coalition (MCSAP) and Statewide Health Improvement Program (SHIP) to provide the community with a free Tobacco Sales Education Class held at the Southern Minnesota Educational Campus (SMEC). Two presentations were held the same day and they were able to educate 14 employees from within the city of Fairmont that work at businesses selling tobacco and nicotine products. The goal of this education was to provide local businesses with education on why it is so vital to keep tobacco out of the hands of our youths.

These presentations also informed attendees that the Fairmont Police Department would be conducting tobacco compliance checks within the city of Fairmont during the current year. State law requires that law enforcement agencies conduct tobacco compliance checks once each calendar year in an effort to ensure that retailers are not selling to underage buyers. Any violations could result in criminal charges as well as fines. The business could also be held responsible and be fined civilly. Attendees were informed of these possible criminal and civil liabilities and were also shown what ID's are acceptable and how to properly check them.

In November, Officer Christenson conducted these compliance checks within the city of Fairmont. Overall, 14 businesses were checked. Out of these 14 compliance checks, there was one failure at the Freedom Value Center. A citation was issued to that employee and a recommendation was sent to the Fairmont city council for civil liability to the license holder.

The Fairmont Police Department will annually continue to provide the community with tobacco sales education and compliance checks to ensure tobacco and nicotine products remain out of the hands of our youths.

# 2019

## Fairmont Police Department Training

In 2019 the Fairmont Police Department continued to provide an extensive array of professional training for the officers who serve the citizens of Fairmont. Training and education is a focus of our department. We make investments in our officers so they can continue to provide outstanding service for our community during a variety of different events. In 2019 our Department continued to utilize online training for our officers with our enrollment in PATROL, which stands for Police Accredited Training on Line. This program is developed and sponsored by the League of Minnesota Cities. The use of online technology for training is a huge savings in our Department's budget. Officers have the opportunity to complete monthly online trainings classes during their shift that save on the cost of overtime, travel, registration, and other costs associated with traditional onsite training classes. The cost of the online training averages out to be approximately \$5 per POST credit which is very cost effective for our Department. This also allows our officers to complete all yearly OSHA required training while on duty.

The training program is also responsible for the training and supervision of newly hired officers in our Field Training Program. In 2019, our FTO program provided structured training to our newly hired part-time officer, Officer Murray. Officer Murray is assigned to work 20 hours a week at the Arise Academy Alternative Learning Center. Our current Field Training Officers are Sergeant Sanow, Officer Bleess, Officer Hagert, and Officer Walker.

In 2019, all of our officers also completed our two yearly firearms qualifications; firearms patrol vehicle CQB training, and our yearly use of force training. The Minnesota POST Board requires that all officers complete a yearly Use of Force training as part of their requirement as a licensed peace officer. In 2019, Officer Nelson and Deputy Markus Murphy of the Martin County Sheriff's Department conducted the Use of Force training and ECW recertification.

The Minnesota POST Board also requires peace officers dedicate at least 16 hours of their 48 continuing education hours towards Crisis, Conflict, Community Diversity. The Fairmont Police Department hosted an 8-hour class room training in Crisis De-escalation and several

officers have already completed 11 hours of Patrol On Line training to meet these requirements. Post Board also requires officers to attend a Pursuit/Pit refresher training every five years. Officers Fowler, Paine, Walker, and Schwebke attended at the Minnesota Driving Training Center in St. Cloud, MN during 2019.

Sgt. Tietje and K-9 Titus also completed their yearly United States Police Canine Association Region (USPCA) 12 narcotics certification patrol dog certification.

Also in 2019 we placed a focus on employee leadership and development. We had officers and supervisors attend trainings sponsored by the Minnesota Chiefs of Police Association and the Minnesota Bureau of Criminal Apprehension. We had officers attend Officer Leadership Development, Supervisor Leadership Academy, and CLEO and Command Academy. We also had officers attend training for current and new assignments such as school resource officer and interviewing. We will continue to look for the most effective training opportunities for our officers to attend to insure they continue to be highly trained and effective in the service they provide. The department training program is supervised by Sergeant Chad Sanow.

# 2019 Treatment Court

In 2019 the FMJC (Faribault, Martin, Jackson, Cottonwood) County Adult and Family Dependency Treatment Courts continued to provide an alternative to incarceration for high risk & high need offenders and a pathway to becoming law abiding & free from substance abuse.

Treatment Court Coordinator is Tracy Henning, who coordinates efforts for all four counties. The practice of requiring participants to call in daily for random drug testing in conjunction with continued unannounced home checks of participants by Fairmont Officers at the participants' residences has shown to have a positive impact in accountability for participants. Over 250 in person Treatment Court checks were completed by Fairmont Officers in 2019.

The Fairmont Police Department will continue our partnership with Treatment Court in 2020. Our goals are the support of administrative personnel, active participation by having a Fairmont Police Officer on the Treatment Court Team, random home checks by Officers, and providing support to the participants who are in Treatment Court by doing our part to help them succeed in the program and in their own future. Captain Tonder has served as the FPD representative on the Treatment Court Team since 2017 and supervises the department's efforts between the Treatment Court and the FPD. He attends weekly treatment court staff meetings and court with all participants. We look forward to continued success of the Treatment Court program and its' participants.

*\*In 2017 MN changed the program name from "Drug Courts" to "Treatment Courts."*

# 2019 Towards Zero Deaths (TZD)

In 2019, the Fairmont Police Department was awarded a grant to take part in Minnesota's Toward Zero Deaths (TZD) program. The Fairmont Police Department is the lead agency in partnership with the Martin County Sheriff's Office, Truman Police Department, and Trimont Police Department. By doing so, we joined together with numerous agencies including the Minnesota Office of Traffic Safety in our aim to cut down on serious injury and fatality related crashes. More specifically, these types of crashes that occur in our own community.

Based on Martin County crash statistics, between 2013 and 2017 there were a number of serious injury/fatality related crashes that in turn has affected a number of people. Of these crashes:

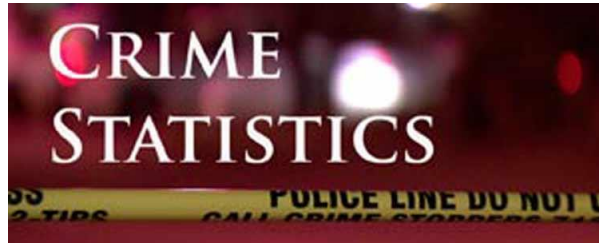

- 12 were related to speed
- 9 were related to distracted driving
- 14 were related to non-seatbelt use
- 17 were related to alcohol consumption

Toward Zero Deaths has been extremely effective since its implementation in 2003 and has since been Minnesota's cornerstone traffic safety program. By cutting down by 42% of roadway fatalities, Minnesota roadways are becoming safer and safer thanks to the TZD program. The Fairmont Police Department is currently in partnership with the

The first wave of extra enforcement started with the DWI wave. This occurred in December of 2019. We were only able to allow a few officers to work these available shifts however as most of them were not up to date in the required trainings that the state's strict requirements call for to work these shifts. This being said, the department has since held a refresher training for one of the required trainings and is in talks to potentially host another training after the New Year.

The Fairmont Police Department has been given this opportunity to provide extra distracted driving, seatbelt, and DWI enforcement on our community and Minnesota roadways. Although we cannot change the past, with this grant-funded campaign we can change the future of this community, county, and people we serve. Officer Colin Hagert is supervises the TZD program.

# General Statistical Information

The following pages contain general statistical information regarding the categories of calls for service handled by the Fairmont Police Department in 2019. The information is also broken down to show the number of calls categorized by the day of the week. In 2019, Monday accounted for the most calls for service while in 2018, Tuesday accounted for the most calls for service. The leading categories in calls for service in 2018 are consistent with previous years and continue to be: Traffic Stops, Animal Complaints/Bites, Assist Ambulance, Escorts, Directed Patrols, Information Calls, Civil Calls, Parking Offenses, and Ordinance Violations. Upon review of the calls for service by time of day in 2019, 2100-2200 (9pm to 10pm) is the highest call for service time with 0500-0600 being the lowest calls for service which was similar to previous years.

As stated earlier, recent statistics from the Martin County Attorney that were published in the Fairmont Sentinel (January 22, 2020) show that in Martin County between 2010 and 2019, There was an increase of 83% in felonies, 47% increase in gross misdemeanors, and a 66% increase overall in major crime. This is then coupled during the same time period with an increase of 195% in juvenile dependency or neglect cases, an increase of 367% in termination of parental rights cases which are primarily due to meth, and an increase in juvenile felonies of 53%. This is also illustrated by a review of our Part I and Part II crime offenses that in 2010 showed a crime rate of 2,887 per 100,000 and our 2019 crime rate shows a rate of 8,475 per 100,000. The Part I and Part II crime statistics from 2019, 2018, 2014 and 2010 are included in this section for review and comparison. Short story is that our officers are very busy with these increases and the complexity in the nature of the criminal issues we are addressing, but we are still working at the same department staffing levels that we had in 2010.

Following the information on calls for service you will find Drug Arrest Information by Category for 2019, 2018, and for comparison the information from five years ago for 2014. These are the arrest numbers reported to the State of Minnesota. The information shows a consistent trend in arrests for the category "Dangerous Non-Narcotics" which is the category that includes methamphetamines from 2018 to 2019. There were 38 arrests in that category in 2019 along with the same number at 38 in 2018 and 40 in 2014. So arrests for drugs in this category has remained consistent over the last five years. Arrests for marijuana were up consistent with 20 arrests in 2019 and 24 in 2018. There were 18 arrests in that same category in 2014.
