

# **Fairmont Police Department 2021 Annual Report**

***Proudly Prepared January 2022  
for those we serve,  
The Citizens of Fairmont***

## *Letter from the Chief*

I am very proud to present the 2021 Fairmont Police Annual Report. 2021 continued to present several unique challenges for our community and our department. I am once again very humbled by the support our officers and staff received from our community during 2021.

As we started off 2021, we were still working through the COVID-19 pandemic related issues. This included several Executive Orders from the Governor that affected our community and some of the several of our local businesses. Those restrictions began to be scaled back midway through the year and we were able to participate in some of our community events such as Fairmont Night Out, Cops and Bobbers, Adopt a Cop, and Shop with a Cop.

*Chief Hunter and his daughter  
Kelsey on her first day of the  
2021-2022 school year.*

In 2021 we looked to establish two new positions within the department. In May of 2021, we established the civilian Community Service Officer position to focus on local ordinance enforcement. We are hoping to expand the role of the Community Service Officer as we enter 2022 with a focus on problem solving and community partnerships. In July of 2021, we established the position of Victim's Services Investigator. This is a rotating career development position for an officer to accept a two-year career development assignment to work as the Victim's Services Investigator. This position has a focus on dealing with Child Protection, Vulnerable Adult Abuse, and victims of Sexual Assault and Domestic Violence.

Our overall statistics for 2021 ended the year with a higher number of calls for service than in 2020. We ended 2021 with 8641 calls for service, which was up just over 12% from 7699 calls for service in 2020. We unfortunately saw a 62% increase in arrests for methamphetamine related offenses from 2020. Narcotics education and enforcement will continue to be a priority in 2022 and that continued focus on narcotics enforcement accounts for the large increase in arrests from 2020. Ordinance enforcement in 2021 also saw an increase of 155% from 2020 numbers.

As we closed out 2021, we continued to work through many challenges and our officers and staff as always, looked for opportunities to provide *fair, professional, and dedicated* service to our community. We look forward to serving our community in 2022, and we again thank the community for its continued support and it is truly a privilege to serve the Citizens of Fairmont.

Respectfully Submitted,

*Chief Michael Hunter*

## *2021 Staff Updates*

*Officer Parker Stevens*

In 2021, the Fairmont Police Department had a couple of new faces added to our line up. In February of 2021, Officer Parker Stevens was hired as a full time patrol officer. Officer Stevens is from Truman and has the opportunity to follow in his grandfather's footsteps, Captain Gary Stevens, who worked for numerous years for the Fairmont Police Department. Officer Stevens will be wearing his grandfather's badge number, badge 6 in honor of his grandfather and his service to Fairmont. We look forward to the outstanding work Officer Stevens will provide to our community.

*Community Service Officer Brad Buhmann*

*Photo Credit: Fairmont Sentinel*

In May of 2021, we welcomed back Brad Buhmann as our new Community Service Officer. Officer Buhmann served our community for numerous years as a patrol officer from 1992 until his retirement in 2019. CSO Buhmann returned to FPD to help us establish the new Community

Service Officer position to focus on animal control and ordinance enforcement. We welcome CSO Buhmann back and look forward to his work in our community.

In December of 2021, we said goodbye to long time Records Technician Renae Janssen. Renae had been serving the community since 1989 and retired in December of 2021. We thank her for her years of service to the community and wish her all the best with her future plans.

## ***2021 Officer of the Year***

***2021 Officer of the Year, Officer Jason Christenson***

We are very pleased to announce that Officer Jason Christenson was nominated by his co-workers and has been named the Fairmont **Police Department's 2021 Officer of the Year**. Officer Christenson came to the Fairmont Police Department in 2017, but brought with him several years of experience in law enforcement with the Faribault County Sheriff's Office. This award is not based upon one event or incident, but the daily contribution to our department and our community. Officer Christenson was nominated by his co-workers for his team focus and willingness to step up and volunteer for department focused projects and programs. During 2021 Officer Christenson participated in department activities and assignments including Adopt a Cop, Shop with a Cop, Cops and Bobbers, Chief's Challenge Triathlon, Tobacco Education and Enforcement, and the department firearms armor. Also during 2021, our agency looked to establish a career development position with the establishment of the Victim's Services Investigator position. Officer Christenson stepped up to help establish this important new opportunity and became our first officer assigned to this position in July of 2021. Officer Christenson understands the team focus his involvement in these assignments and programs and the positive impact they have with our community and within our department.

We congratulate Officer Christenson on being selected as the 2021 Officer of the Year. We believe his contribution to our team focus within our department and his commitment to our community is a positive representation of the Fair, Professional, and Dedicated service our officers provide in Fairmont.

## *2021 Adopt-A-Cop*

In 2021, the Fairmont Police Department was once again able to participate in the Adopt-A-Cop program in partnership with the local first grade students in our community. The focus of Adopt-A-Cop is to build rapport with children in our community by interacting with them early and often. By doing so, we are building relationships with our youth and starting positive conversations at home.

In 2021 Officer Bass was able to work with Fairmont Elementary School administrative staff and 1<sup>st</sup> grade teachers to see if they were comfortable with bringing the program back into the classrooms as COVID restrictions slowly began to be dialed back. The 1<sup>st</sup> grade teachers were very excited to invite officers back into their classrooms. In November of 2021 we were able to have our adoption celebration in the gym at Fairmont Elementary. During the adoption, Chief Michael Hunter presents a framed certificate to each classroom who adopted one of our officers for the school year. The officers and their new class then headed off to their classroom to get to know each other. Officers meet with their classroom monthly to participate in a variety of activities including reading books, assisting with class projects, presenting on safety topics, and enjoying the fabulous school lunch with the students. This year all officers were also able to attend their classes Christmas Concert at Fairmont Elementary.

The Adopt-A-Cop program originally began by Sergeant Michael Beletti in 2017 with the assistance of school administrative staff and the 1st grade teachers. The Adopt-A-Cop program was given great media coverage by the Fairmont Sentinel, Facebook, and KEYC television in Mankato. Due to the program's success, St. John Vianney Catholic School, St. Paul's Lutheran School and Fairmont Christian School also adopted an officer into their 1st grade classrooms. Eight Officers were adopted in total, which included five classrooms at the Fairmont Elementary School along with one first grade class at St. John Vianney Catholic School, one first grade class at St. Paul's Lutheran School, and one first grade class at Fairmont Christian School. It is truly a very rewarding feeling for our officers having an entire first grade class welcome them to be part of their classroom for the school year.

Officers who volunteered to help make the 2021-2022 Adopt-A-Cop program a great success include Sergeant Mike Beletti, SRO Shannon Bass, Officer Chelsea Yeager, Officer Dustin Schwebke, Officer Parker Stevens, Officer Dayton Asmus, Officer Jason Christenson and Chief Michael Hunter. We thank all the schools and staff that have welcomed our officers into their classrooms and look to continue this as a yearly partnership with our schools, staff, and students.

## ***2021 MCSAP***

### ***Martin County Substance Abuse Prevention Coalition***

**Most Martin County Students  
DON'T drink alcohol, vape or use drugs**

MCSAP has returned for a stronger 2021 year. With COVID restrictions lessening in 2021, MCSAP was able to participate in numerous activities. The MCSAP team, which includes School Resource Officer Bass, started attending the back-to-school Activities Fair at the Fairmont High School. The MCSAP team was also once again able to hold the Sticker Shock at the Fairmont Liquor Store this year. MCSAP had a great turn out of students, community members, and Officers to help place stickers on bags and bottleneck hangers on bottles throughout the store. MCSAP was also able to bring in Ms. Minnesota to speak with students in the High School about mental health issues. She also attended the Fall Fest event put on by MCSAP, which included a free meal, Mini Golf, Corn-Hole, and painting pumpkins. MCSAP also was able to organize the Red Ribbon Week for the Fairmont High School, which included four different theme days. MCSAP has also sponsored and organized a couple different Free Fun Nights, free swimming at the pool and free bowling at the bowling alley, with more events coming. MCSAP has also assisted in health classes, supplying Impaired Vision Goggles for students to wear while driving peddle carts. This helps the students learn the effects of drugs and alcohol behind the wheel. Officer Bass continues to work with MCSAP sharing ideas and attempting to reach students throughout Martin County.

The Fairmont Police Department has been an active member of the Martin County Substance Abuse Prevention (MCSAP) Coalition since it was founded in 2011 as the Fairmont Substance Abuse Prevention (FSAP) Coalition. FSAP was funded through a five-year grant provided by the MN Department of Human Services, Alcohol and Drug Abuse Division. In 2016 a federal Drug - Free Communities grant was awarded to expand efforts throughout Martin County. MCSAP is a group of caring community members, school staff, students, elected officials, media, law enforcement, spiritual and business leaders who work together to prevent underage use and abuse of alcohol, tobacco, and other drugs in Martin County youth. MCSAP primarily works to share resources, ideas, and information to raise community awareness to create lasting community change through universal prevention strategies.

MCSAP also partnered together with Fairmont Police Captain Eric Tonder and the Martin County Sheriff's Office to offer a free Responsible Beverage Server Training to community members in November at multiple locations though out the City of Fairmont and Martin County. Officer Jason Christenson also worked with MCSAP in providing a free online Tobacco Sales Education training as well as completed compliance checks throughout Fairmont.

We are very pleased to be a part of this hard working group and the positive impact they are making in the Fairmont and Martin County area.

## *2021 Records Department*

The Fairmont Police Records Division was staffed in 2021 by Records Technicians Renae Janssen and Tegan Quade. Renae Jansen who had been serving the community since 1989 retired in December of 2021. We thank her for her service as a Records Technician for our department and wish her all the best with her retirement plans. Tegan Quade has been serving since October of 2009 and our new Records Technician will be on board in early 2022. Our records division is responsible for numerous assignments including customer service at the Law Enforcement Center, reviewing and processing data requests, reporting crime stats, maintaining our records system, processing gun permits to purchase, responding to requests from attorneys, maintaining and organizing our evidence room, tracking property and evidence, maintaining record retention schedules, transcription of statements, and administrative support to the Chief, Captain, and Patrol Officers. Our records staff developed the case file tracking system that is used to audit the case files that were sent to prosecuting attorneys so all cases are tracked to completion with criminal charges or a declination of charges from prosecutors.

We greatly appreciate the quality of work and the focus on customer service that our Records Technicians provide to our community. As other duties and responsibilities are placed upon our records technicians, we appreciate the quality daily work they provide in support of the services we provide in our community.

## ***2021 Emergency Response Unit (ERU)***

In 2021, the Fairmont Police Department continued its association with the regional High Risk Entry and Arrest Team (HEAT). The team is a joint powers coalition that consists of approx. 24 tactical officers, two trained negotiators, three tactical dispatchers and a team medic. The team provides service to the Minnesota cities of Fairmont, Truman, Sherburn, Welcome, Jackson, St. James, Windom, Mountain Lake, Lakefield, Slayton and Westbrook, along with the Minnesota counties of Martin, Murray, Jackson, Rock, Pipestone, Cottonwood, Nobles and Watonwan. The team also provides service to the Iowa cities of Armstrong, Estherville, Spirit Lake, Okoboji, Arnold's Park, Milford, Lake Park, and Spencer, along with the Iowa counties of Dickinson, Clay and O'Brien. The HEAT Team provides coverage to an area of approx. 4750 square miles with a population of approx. 130,000 people. In 2021 the HEAT Team was activated seven times and responded to situations ranging from barricaded armed suspects, to serving high risk narcotics warrants.

*Call out in Rural Jackson County MN, January 2021*

The team members are officers and deputies of the coalition agencies and conduct monthly training sessions as part of their membership. In 2021 the team also conducted a multi-day training at Camp Dodge, in Johnston, IA. The team conducts the multi-day training once a year to utilize the various military training facilities on base in a controlled and structured environment. All members of the team are required to carry their cell phones with them on and off duty which is the method that the team uses to page out members for a request for assistance. The HEAT Team in the summer of 2021 did a combined training with the neighboring BLRR Team (Brown, Lincoln, Redwood, Renville County) ERU Team on a one day training event in rural Cottonwood County. The training event was able to show each team new tactics and equipment used by one another for a great learning event. In 2021 the HEAT Team also gained O'Brien County IA as a new area of coverage for needed assistance.

In 2021, the HEAT Team purchased a handheld drone for use of searching inside of a residential structure. This drone is supplied with LED lights and a camera that allows the team to clear areas that normally could not be done with a robot. The Team also purchased a new command bus that should arrive in late 2022. This piece of equipment will serve as the new central command station for all operations on call-outs.

In 2021 Team members from the Fairmont Police Department included Officer Josh Nelson. Officer Nelson was given the opportunity to train as a team sniper. This extra assignment requires him to train one additional day every month and to be involved in more situations that require leadership, critical thinking and have limitless patience in each situation. Officer Nelson still remains as one of the lead shield operators on the entry team.

In 2021 Covid-19 pandemic premeasures were still addressed and all members took caution to protect themselves and others. The HEAT Team was able to perform throughout the year with all scheduled monthly training and all needed call-outs.

*Members of the HEAT Regional High Risk Entry and Arrest Team  
Southwest Minnesota/Northwest Iowa*

## ***2021 Citizens On Patrol (C.O.P)***

The Citizens On Patrol (COP) program has been active for over 15<sup>th</sup> years serving the citizens of Fairmont. The 2021 COP team, comprised of local VFW Post 1222 members were: Harry Brumbaugh, Steve Langford, Darrel Krahler, and Ron Glidden. Harry Brumbaugh also serves as the leader and coordinator for the group as well as being the liaison to the Fairmont PD. Captain Eric Tonder supervises the COP Program for the department.

Each COP member volunteers their time to help the Fairmont PD function more efficiently by assisting with events, which require additional people. The COP members are equipped with a light blue polo shirt, jacket, flashlight, and OC spray. Each COP proudly wears their VFW Post baseball cap in recognition of their honorable service to our country and their membership to the organization. Each COP receives training on OC usage and conflict resolution. Their duties are to observe and report, not to directly engage in any conflict or criminal activity they may observe.

The COPs assistance to the department was somewhat limited due the COVID-19 pandemic. The COPs returned to providing foot patrol and security at the Martin County Fair to help maintain a safe and fun atmosphere for all fair attendees. They provided assistance with traffic control, July 4th fireworks, parades, and street dances. In the summer, COPs typically patrol our local parks to provide a presence and have positive contacts with the public. COPs are on the lookout for criminal activity like vandalism or unsafe driving in the parks, and they will contact an on duty officer to respond as needed. The COPs also conduct house checks for those residents who ask the Fairmont PD to provide extra patrol for their home when leaving on vacation, or if they are gone for the winter months.

The COPs service to the Fairmont PD and this community is invaluable. They donate hundreds of hours of their time annually, often during the holidays, and we are very thankful for their dedicated service to the department and the citizens of Fairmont. We hope that area residents will take the time to thank a COP for volunteering their time and for their military service to our country.

## ***2021 Animal Control and Code Enforcement***

*Community Service Officer Brad Buhmann  
and a young dog at the Martin County Humane Society*

During the end of 2020, our department had been looking to restructure the Animal Control and Code Enforcement Officer position that had previously been a licensed law enforcement officer position. We worked with the Police Civil Service Commission to establish a civilian Community Service Officer (CSO) to handle animal complaints and ordinance violations. In May of 2021, CSO Brad Buhmann began his duties as our first Community Service Officer. CSO Buhmann is a familiar face to our community after retiring from our department after several years as a patrol officer. As CSO Buhmann began his duties, Officer Schwebke who held the Animal and Code Enforcement Officer position for several years, was then moved to a full time patrol officer position with our department.

With the CSO able to focus solely on animal control and ordinance enforcement, we ended 2021 with an increase of 155% in ordinance enforcement (592 calls for service) compared to 2020 (232 calls for service). We again want to remind people to please keep the lawns cut during the summer and the sidewalks cleared in the winter. These are both common complaints we receive. We will continue to focus on fine-tuning our ordinance enforcement efforts in 2022.

In 2021, our community saw a decrease in animal related calls 539 compared to 544 the previous year (2020). The Humane Society completed a few improvements to their facility on Margaret Street during 2021. They repainted the inside of the building and also added a much needed epoxy flooring in the front office area of the Human Society. The Human Society held their annual golf outing event along with several other fundraisers to help offset the cost of running the facility. This consists of bake sales, garage sales, walk with the animal's, and rose flower sales for Valentine's Day.

The Humane Society saw a total of 700 dogs and cats that were taken to the Humane Society in 2021. This number was up from the previous year of 682. Animals at large and barking dogs continue to be the main animal control issues in Fairmont. Even with educating the citizens of Fairmont this number has remained consistent the last three years. A reminder a city license for your dog or cat is only \$10.00 dollars and is good for two years. And yes, your cat needs a license. If more citizens complied with this ordinance it would make returning a dog or cat much easier and would lessen the financial burden on the Humane Society.

In 2021 there were 12 dog bites reported to the police department. Eleven of these dogs were identified and deemed potentially dangerous. The owners were given further cautionary restrictions for their animals. These dog attacks all had one thing in common, the dog was not on a leash and the animal was not under direct control by the owner. Also as a reminder, a shock collar is not a leash under our city ordinance. When walking your dog a leash must be used at all times in the city limits.

We hope these numbers will decrease in 2022. The Fairmont Police department will continue a proactive approach in 2022. The Fairmont Police Department and City Hall will continue to educate the community on solid waste and junk related issues. Both City Hall and the Fairmont Police Department prefer compliance and cooperation as opposed to issuing citations.

## ***2021 Controlled Substance Investigations***

During 2021, the Fairmont Police Department worked together on multiple narcotics cases and arrested multiple individuals on felony narcotics charges. Officers from our agency were able to work with information provided by concerned citizens, as well as interdiction traffic stops and traditional investigation and case development to enforce the drug laws in our community. Our agency looks to continue its investments into training opportunities for its officers in specialized areas of narcotics recognition/safety/investigations, and narcotics traffic interdiction.

In 2021, there were a total of 52 individuals in Fairmont arrested for drugs categorized as Dangerous Non-narcotics which is the category that includes methamphetamines. This category is up 62% from 2020 that ended with 32 individuals arrested in the same category, and is up slightly from 49 individuals arrested in this category from five years ago in 2016. Marijuana charges ended at only nine for the year which is down from 22 in 2019 but is similar to 17 arrests five years ago in 2016.

The Fairmont Police Department continues a close partnership with the Minnesota River Valley Drug Task Force (MRVDTF), working together to resolve local narcotics related issues. As we begin 2022, the Fairmont Police Department is working to re-establish a focus on local narcotics education and enforcement, with the updated Narcotics Resource Officer program. This local effort will continue focusing on being our coordinated resource for structured information and enforcement within our department during 2022. Officer Josh Walker is the designated lead NRO officer and the other team members assigned are Officer Colin Hagert, Officer Chelsea Yeager, and Officer Parker Stevens.

*Photos from local narcotics cases in 2021.*

## *2021 Alcohol Sales Education and Enforcement*

*Captain Eric Tonder conducting a RBST in Fairmont*

The Fairmont Police Department prides itself on being a professional and pro-active law enforcement agency. The sale of alcohol is a legitimate business that plays a valid role in our community but selling alcohol is a privilege that has responsibilities attached to it. Our goal is to keep our community safe of alcohol related deaths and injuries. We work toward that goal by providing education to help keep our area businesses & servers protected from criminal & civil liability and through alcohol compliance checks of area businesses. We are thankful for the positive relationship we enjoy with area businesses and we strive to work together.

On an annual basis the Fairmont Police Department, in partnership with the Martin County Substance Abuse Prevention (MCSAP) Coalition, offers "Responsible Beverage Server Training" (RBST) to all employees of businesses licensed to sell alcohol within Martin County. The course educates servers on the laws governing the sale of alcohol, how to properly check identification, and how to help avoid civil lawsuits. The training is also offered upon request for seasonal employees or special event volunteers within Martin County. RBST is free of charge to all attendees and each attendee receives a certificate of completion after attending the training.

The Fairmont Police Department conducts alcohol compliance checks of all businesses licensed to sell alcohol within the City of Fairmont. These checks are done during the twelve months following the annual training offered to business employees. The purpose of the compliance checks is to enforce liquor sale laws within the City. Our goal with the annual checks is 100% success from all businesses by denying sales to all underage buyers and subsequently all persons under 21 that attempt to purchase alcohol. Responsible Beverage Server Training and compliance checks are organized and coordinated by Captain Eric Tonder and Deputy Luis Figueroa.

# 2021 Fairmont Police Social Media

Our Facebook page is monitored and updated by administration and patrol officers assigned to our social media program. We follow Fairmont Police Department Policy 10.03 on social media and our posts are stored and retained in accordance with current data practices law of the State of Minnesota. Our goal is to continue providing useful information to a generation of citizens who receive their news from social media. Our goal is never to debate with those who view our social media page, rather to inform and educate our community of events happening within our department. If members of our community have a concern, we always feel that sitting down and communicating face to face is the best way to resolve a concern and not air issues on social media.

Fairmont Police Department's Facebook page has been in operation for five years. We gained over 400 followers in 2021 bringing our total following to 3,399 unique followers. Twenty-four posts were made by the FPD Facebook Team consisting of educational events/involvements, weather alerts, newly hired officers and many more. Our most viewed posts tend to relate to weather alerts or incidents occurring in Fairmont that have an immediate impact on citizens. In 2021, our most viewed & shared post is when FPD assisted with a train derailment on October 27<sup>th</sup>, 2021. This post was shared 102 times and viewed by over 17,000 unique viewers. When looking at unique daily views of users who had Fairmont Police Department Facebook on their screen, we had 91,169 views.

Once again, the Fairmont Police Officers Association would like to show our extreme gratitude to all of our sponsors, donors, and volunteers that helped us have another great "Shop with a Cop" event. A special thank you goes out to the Fairmont Walmart. Your help, accommodations, and generosity truly made this event special and fun for both the families and officers alike! On behalf of the Fairmont Police Department, we want to wish everyone a safe and happy holiday season!

We would like to invite you to stop by Fairmont Night Out on Tuesday, August 3, 2021 from 5 to 7pm at Gomsrud Park. It's our opportunity to say thank you to the Fairmont Community for your continued support!

**FAIRMONT POLICE  
POLICE DEPARTMENT**

invites you to

***Fairmont Night Out***

Please join the members of the  
Fairmont Police Department  
for a free meal together at *Gomsrud Park* on  
***Tuesday, August 3<sup>rd</sup>, 2021***  
***5pm to 7pm.***

Meet FPD's newest Police Officers or say hello to the ones you already know.

Officers will be available to answer any questions on how to  
make your home, neighborhood, and community safe.

Police, SWAT, Ambulance, and Fire Trucks on display.

The Fairmont Police will be taking on the Fairmont Fire Department  
in a friendly game of Horse Shoes for the 2021 Mega Bowl.

*"Not only do we protect and serve, but on August 3, we will even serve you dinner."*  
Light meal of hot dogs, potato chips, cookies, and delicious Culligan Water served until gone.

Thanks to our numerous Community Sponsors including

**Hu/vee** **Culligan Water**

<https://www.facebook.com/fairmontminnnpd/>

# *2021 Police Civil Service Commission*

*2021 Fairmont Police Civil Service Commission members  
Paula Eppens, Dan Thiesse, John Korsmo*

The Fairmont Police Civil Service Commission is comprised of three community members who are responsible for providing civilian assistance and oversight to the Fairmont Police Department with regards to personnel related issues including initial hiring, promotions, and other civil service related activities. The Police Civil Service Commission adheres to the rules and regulations set forth in the Police Civil Service Commission policy book and Minnesota State Law. Police Civil Service Commission members are appointed to a three year term at the approval of the City Council.

In January of 2021, the Commission held its yearly, required in person meeting. Due to COVID restrictions still in place for the first part of 2021, most of the Commission's business was completed by email. For 2021 the Fairmont Police Civil Service Commission was again comprised of Dan Thiesse, John Korsmo, and Paula Eppens. These Commission members volunteer their time to insure that the voice of the community we serve is heard with regards to the operations of the Fairmont Police Department. We thank our current Commission and look forward to continuing our positive working relationship in 2022.

## ***2021 Tobacco Sales Education and Compliance Checks***

The Fairmont Police Department continues to take a proactive stance on sales of tobacco within our community and insuring that all businesses within our community are making the same efforts to keep tobacco and tobacco related products out of the hands of our youths. 2020 brought on new tobacco laws for the state of Minnesota in the midst of a pandemic. The new laws relate specifically to the sales of tobacco rather than the purchase of tobacco in an effort to hold the seller responsible rather than the buyer. The legal age was changed from 18 years of age to 21 years of age.

In 2021 a new training opportunity was presented to local retailers in an online format rather than in person. This was due to in person training generally bringing a low number of participants over the last several years. The expectation was that this change would allow retailers to have their employees complete the training online while they were at work rather than having to coordinate a way to send all of their employees off site to a single day training. A certificate of completion is presented to each user through the website after they complete the training portion and are successful in passing a final quiz. In September this change in training and notification of upcoming compliance checks was mailed to all tobacco retailers within city limits.

Tobacco compliance checks were conducted within the city of Fairmont on December 11<sup>th</sup>, 2021 with the assistance of an 18 year old undercover buyer. All 14 retailers were checked for compliance. Of the 14 retailers, four of them were failures where an employee sold to the underage buyer. As a result of the failures and concluding investigations, five individuals were ultimately cited for failing to properly check ID prior the sale of tobacco. Once all charges are completed through courts, license holders will received a letter informing them of the failure and the potential for civil penalties against them and their tobacco license.

The Fairmont Police Department will continue to work with our local tobacco retailers as 100% compliance is our main goal and to ensure the safety of the youths in our community.

# ***2021 Fairmont Crisis Intervention Team***

## **Minnesota Crisis Intervention Team**

Police Officers have become the front-line respondents to people with serious mental illnesses who are in crisis. Minnesota jails report that well over half of their inmates struggle with diagnosed mental illness. Nationwide, about 64% of jail detainees have some form of mental wellness issue. (Source MN CIT website).

Without adequate preparation and training to respond to a mental wellness crisis, the results can range anywhere from ineffective to fatal for the officer or the person in crisis. Because of this, first responder and mental crisis providers need to know how to handle these calls effectively. Recently the Minnesota POST Board established new standards to include training for officers in dealing with people in crisis which includes intervention and de-escalation training. The Fairmont Police Department has been involved in training our officers in response techniques in dealing with those in crisis for many years prior to this mandate.

In addition to the new training standards that all of our officers complete annually, the Fairmont Police Department currently has five officers who have completed additional extensive training in Crisis Intervention. These officers comprise our Crisis Intervention Team. Those members are Sgt. Kotewa, Sgt. Bleess, Officer Boltjes, Officer Bass, and Officer Walker. To be a CIT officer, applicants must complete an intensive 40-hour training hosted by the Crisis Intervention Team of Minnesota. The focused training uses actors to portray real life mental health crisis events that officers respond to as part of their daily duties. The goal of this training is to provide officers with tools to provide the best possible service to members of our community dealing with a mental wellness crisis.

The Crisis Intervention Team (CIT) is focused on assisting community members with access to medical and addiction services rather than placing them into the criminal justice system due to their behaviors if possible. This also promotes officer safety and the safety of the individual in crisis. The Fairmont Police Department is committed to continued growth and education in areas of de-escalation and crisis intervention to provide safe and appropriate services in our community.

# *2021 Emergency Operations Plan*

On March 9, 2020, The Fairmont City Council voted to unanimously approve Resolution 2020-16 and the adoption of the Fairmont Emergency Operations Plan (EOP). This plan was developed as a partnership between the Fairmont Police Department and the Martin County Sheriff's Office Emergency Management Division. The plan was originally developed in April of 2018 with a draft revision started in October of 2018. The final project was presented to the Fairmont City Council for review and approval in 2020. The EOP was reviewed and revised in January of 2021, and again in January of 2022. Our goal is to conduct a yearly review and revision to continue to keep the EOP current and up to date to provide a frame work for operations for our community during their time of need. We greatly appreciated our partnership with the Martin County Sheriff's Office and their work on this project.

## *2021 Treatment Court*

The FMJC (Faribault, Martin, Jackson, Cottonwood) County Adult and Family Dependency Treatment Courts are a multi-county drug court that combines the participating counties to form one court. The program is made up of one staffing team, one steering committee, and one policy manual. All court hearings take place in Fairmont, MN at the Martin County Courthouse. The court is unique as it provides a closer working relationship between chemical dependency treatment and the criminal justice system; which includes prosecutors, law enforcement, probation, and judges.

The court assists with early intervention, treatment, and rehabilitation of non-violent high risk & high need offenders who are assessed as being chemically dependent. It provides an excellent opportunity for those who wish to change circumstances in their lives and break the cycle of chemical dependency. The minimum time a participant must be in the program is 18 months and participants must plead guilty to their offense(s) prior to being accepted. If a participant drops out or is removed from Treatment Court for non-compliance may be sentenced to jail or prison for the prior offense(s).

Law enforcement plays an important role in FMJC Treatment Court program. Fairmont Officers, and other local law enforcement, conduct random home checks on participants in the program throughout the year. The officers have the opportunity to build rapport with participants by having positive contacts with them during their checks. The officers also take the opportunity to make sure the participants are not under the influence, following curfew requirements, conducting random drug & alcohol testing, and assessing the well-being & needs of the participants.

Due to the COVID-19 pandemic in person home checks by officers were initially suspended in 2021 to limit exposure of officers and participants the virus but resumed in July. Staff team meetings and court was held virtually as well during the majority of 2021.

Our goals are to support administrative personnel and to support the participants who are in Treatment Court by doing our part to help them succeed in the program and in their own future. We look forward to continued success of the Treatment Court program and the participants.

# *2021 Fairmont Police Department Website*

Fairmont Police Department's website is a useful tool to obtain contact information for services throughout our community. The website is utilized to keep our citizens informed of News & Alerts, Helpful Resources, Officer Biographies, How our PD Works and much more. The website is user friendly for our mobile users on cell phones and tablets.

We utilize the website to promote open positions within the police department. In 2021, we posted openings for Community Service Officer, Records and Evidence Technician and part time police officer. Application materials are located online for ease of access to those applicants who live out of the area. We also provide useful links to local area resources to better prepare potential candidates.

The FPD website offers a multitude of information, including our Body Worn Camera program and policy. Many years of planning went into the Body Camera program that started in 2016 and fully implemented in 2018. Past annual reports are also available on the website under "Helpful Resources".

To learn more about the inner workings of our police department, click on "How our PD Works" where we offer detailed information on various positions throughout our agency. As you'll see, we have quite the variety of assignments and daily duties.

The News & Alerts section of our website is periodically updated with useful information about the happenings within our department. Many of the postings in this section will contain a link to a news article for viewers to learn more about a particular event.

# Cops shop for local families

By BROOKE WOHLRABE  
Sentinel Staff Writer

FAIRMONT— In keeping with traditions, Fairmont Police Department's annual Shop with a Cop event took place on Tuesday. This year's event saw some changes, some very good changes.

Sergeant Jaime Bleess said they shopped for seven families this year. Between those seven families, there were 24 children.

Bleess said the recipients are families that members of the department have met and gotten to know or know of through living in the community who need extra help.

"It's not really a formal application process, we just pick them," Bleess said.

In past years, the children would go to the store with officers and pick out gifts for themselves and their family. Last year, because of Covid restrictions, officers went shopping alone to minimize contact. That route was chosen again this year.

Bleess met with the mothers of each family and let them know their family was selected. He then asked what the kids wanted to ensure they're picking out desired items.

Bleess said Shop with a Cop is in its 12th year. It was started locally by Brad Buhmann, a long-time police officer. While Buhmann is retired now, working as the community service officer, he still partakes in the

Brooke Wohlraabe

Captain Eric Tonder of the Fairmont Police Department, along with other officers, check out at Walmart in Fairmont on Tuesday. The officers had been shopping for local families during the "Shop with a Cop" event.

event.

Buhmann explained why Shop with a Cop was first started.

"The department could see that there were a lot of families out there who were in need but were too proud

to ask for any help."

The first year they had a \$500 budget to work with so spent about \$100 on each child. The money would come from the Fairmont Police Officer Association donations, Fairmont Lions

Club and individual donors.

Bleess said this year they approached Walmart and asked for a \$1,000 grant and Walmart came back at them with a \$2,000 grant.

"In years past we've had officer's families volun-

teer to wrap gifts. This year Walmart staff is wrapping them," Bleess said.

Emily, a coach at Walmart in Fairmont, said, "some are associates currently on the clock, others are associates who volun-

teered to come in on their own time."

When asked about Walmart's generosity, she said, "anything we can do to give back to the community. That's what Walmart's all about."

Bleess said Walmart employees also put together a collection of their own money and assembled Christmas food baskets to give to each of the seven families.

"That's on top of the \$2,000 that corporate gave us," Bleess said.

The Fairmont Lions Club also donated money to the cause this year.

"The neat thing about this program is how much it's grown," Bleess said. "We usually have four or five kids and four or five cops. This year we have 14 cops here shopping for 24 kids."

After the shopping was done and the presents were wrapped, officers packed up their squad cars and delivered the gifts to the families.

Bleess said ultimately police officers get into the profession to help people, and often times they end up helping people on their worst day.

"This year we had the highest turnout of officers participating because I think we're all excited to help people on a good day. It was as big of a gift for us as it was for the families. This was a good way for us to end our year," he said.

Article from Fairmont Sentinel December 23, 2021

## 2021 School Resource Officers

*Officer Shannon Bass and Officer Will Murray currently serve as our local School Resource Officers.*

In 2017, the Fairmont Police Department entered into an agreement with Fairmont Area Schools which commenced on July 1, 2017, and continues through June 30, 2020. This partnership re-established our former School Resource Officer position back in our local school district. In Late November 2019 Officer Shannon Bass was selected to take over the duties as SRO. Officer Bass has an office at Fairmont Jr/Sr High School and regularly visits and works closely with the Fairmont Elementary School.

In 2021, Officer Shannon Bass resumed his role at the Fairmont School Resource Officer. This year Officer Bass was able to hit the school year running after two years of battling COVID-19 restrictions. This year Officer Bass was able to see what a real school year and students faces look like without everyone wearing masks and events being canceled. Officer Bass was able to be a presence at several different extra-curricular activities interacting with students and the community alike.

Officer Bass' role has not changed and has only increased with the COVID-19 restrictions loosening. Officer Bass continues to assist with promoting and providing a safe learning environment for staff and students, investigation of crimes committed on school grounds, being available to assist with projects and programs, and to establish positive relationships and rapport with the students and staff. Officer Bass interacts with students daily and often visits with classrooms to provide law enforcement related education as a guest speaker. Officer Bass also spend time chatting with students at their tables in the lunchroom. Officer Bass has also been assigned to investigate Child Protection cases that are screened in by Human Services. Officer Bass is a member of Fairmont Jr/Sr High School BEST (Building Empowering Students Together) team. The BEST team is comprised of Administrative, Social Work and Probation Staff. This group focuses on assisting students who are struggling academically and/or are experiencing other issues. Officer Bass provides insight on issues that students may be having outside of school that administration is unaware of. Officer Bass also meets one on one with students who may be going through difficult times in their life to help them think of better options and make better decisions. Officer Bass also represents the Fairmont Police Department as part of the Martin County Substance Abuse Prevention Coalition, and in 2021 was able to get the Adopt-A-Cop program at Fairmont Elementary School up and running again as part of his SRO duties. Officer Bass can also be seen attending many of the Fairmont Schools extracurricular activities.

In 2021, the SRO position along with everything else started moving back to a sense of normalcy. Officer Bass along with the school and students all have adjusted throughout the year with the ever-changing guidelines of COVID-19. Officer Bass continues to try and be a positive presence in both schools. Whether checking on students in school or stopping at their homes for school staff, Officer Bass is always willing to assist. Officer Bass was also a positive presence in the elementary school helping students in the morning to find their way to the correct door to enter school under the new guidelines of student drop off for parents. Officer Bass also attempts to greet students as they leave for the day on their way to the buses.

We are also very pleased to have Officer Will Murray as our other local School Resource Officer serving Arise Academy through our partnership with Southern Plains Education Cooperative. Officer Murray has been serving Arise Academy since early 2020. The position is funded under a MOU with Southern Plains Education Cooperative. We are very happy to have Officer Murray building positive relationships with the students and staff at Arise Academy.

We are very pleased to have these partnerships and we thank the Fairmont Area School District, Southern Plains Education Cooperative, and the community for their support of the SRO programs here in Fairmont.

## *2021 Fairmont Police Department Training*

The Fairmont Police Department takes it upon ourselves to administer a training program that will provide for the professional growth and continued development of our personnel. By doing so, the Department ensures that our personnel possess the knowledge and skill necessary to provide a professional level of service that meets the needs of the Fairmont Community. We continue to offer our officers a verity of professional trainings, which meet the Minnesota Peace Officer Standards and Training requirements and guidelines.

We continued to incorporate internet-based training with our enrollment in PATROL, which stands for Police Accredited Training on Line. This program is developed and sponsored by the League of Minnesota Cities. The use of online technology for training is a huge savings in our Department's budget. Officers have the opportunity to complete monthly online trainings classes during their shift that save on the cost of overtime, travel, registration, and other costs associated with traditional onsite training classes. The cost of the online training averages out to be approximately \$5 per POST credit which is very cost effective for our Department. This also allows our officers to complete our 8 hours of yearly OSHA required training while on duty along with approximately 12 hours of Crisis/Conflict and Community Diversity trainings that are required every 3 years.

In 2021, our officers also completed the POST required trainings, which include two yearly firearms qualifications and yearly use of force training. We continue to place a focus on employee leadership and development. We had two Sergeants attend three BCA Leadership trainings and one Sergeant attended a training sponsored by the Minnesota Chiefs of Police Association. Also in 2021 our Field Training program provided numerous hours of structured training for our newly hired fulltime officer.

## ***2021 Police Fleet Vehicles***

Fairmont Police Department's fleet consists of nine All Wheel Drive (AWD) Ford Explorer Sport Utility Vehicles and one Ford F-150. Our department has a mix of owned and leased vehicles depending on the assignment. The majority of our marked squad cars are leased on a three-year rotation through the State of Minnesota Fleet Services, which allows for a savings of operational costs with all maintenance and repairs being paid for by Fleet Services. Our Current Fleet consists of fully marked patrol units, unmarked units, and a Community Service Officer truck. A few squads are assigned to department personnel such as School Resource Officer and Investigators.

Fully marked squads are equipped with a light bar, siren, laptop computer, WatchGuard audio/video recording, Stalker radar, and Automated External Defibrillator's (AED) among many other pieces of equipment to assist officers with providing a professional service. Video that is recorded using the WatchGuard system is automatically uploaded to a secure server at the Law Enforcement Center.

Fairmont Police Department owns a Mobile Command Trailer, which can be utilized at crime scenes, major incidents, or public relations such as the Martin County Fair. We are looking at options to better outfit our current trailer to meet department needs.

# *General Statistical Information*

The following pages contain general statistical information regarding the categories of calls for service handled by the Fairmont Police Department in 2021. The information is also broken down to show the number of calls categorized by the day of the week. In 2021, Friday accounted for the most calls for service while in 2020, Wednesday accounted for the most calls for service. The leading categories in calls for service in 2021 were consistent with previous years and continue to be: Traffic Stops, Animal Complaints/Bites, Escorts, Directed Patrols, Information Calls, Civil Calls, Parking Offenses, and Ordinance Violations. Upon review of the calls for service by time of day in 2021, 2200-2300 (10pm to 11pm) is the highest call for service time with 0500-0600 being the lowest calls for service which was similar to previous years.

In 2021 our officers responded to 8641 calls for service per our IBR records. As discussed earlier, this is up 12% from 2020 where we ended with 7699 calls for service. Our Part I and Part II Crime Rates are reported annually to the MN State BCA and then the federal government. We are assigned a crime rate calculated at per 100,000. The number assigned is not the actual total number of crimes that occurred, but is converted to a crime rate based upon a population of 100,000 for equal comparison to other municipalities. In 2021 our Crime Rate was reported at 5540 which is similar to our 2020 Crime Rate of 5567, but down from five years ago when our rate was 8869 in 2016. We would love to see this downward trend in Part I and Part II crimes continue, but we are realistic in the fact that the pandemic restrictions during the first half of the year continued to play a role in this low number for 2021.

Following the information on calls for service you will find Drug Arrest Information by Category for 2021, 2020, and for comparison the information from five years ago for 2016. These are the arrest numbers reported to the State of Minnesota. The information shows an increase during 2021 in arrests for the category "Dangerous Non-Narcotics" which is the category that includes methamphetamines and an increase over the numbers in that category from 2016. There were 57 arrests in that category in 2021 along with 32 in 2020 and 49 in 2016. So arrests for drugs in this category have fluctuated over the last five years. Arrests for marijuana have fluctuated slightly during this time period with 11 arrests in 2021, 9 in 2020, and 18 arrests in 2016.
