

2024 Fairmont Police Annual Report

*Proudly Prepared
for Those We Serve,
The Citizens of
Fairmont.*

Chief Michael Hunter
Fairmont Police Department
February 2025

Letter from the Chief

It once again goes without saying that I am very proud to have the opportunity to present the 2024 Fairmont Police Department Annual Report to the Fairmont City Council and the citizens of our community. Our outstanding group of officers and staff truly consider it an honor to serve our local Fairmont community. We publish our Annual Report each year as another way for our agency to continue to be transparent and objective for all members of our community.

In 2024, we continued to face some of the same staffing and recruitment issues affecting other law enforcement agencies across Minnesota and the nation. We had the retirements of Sgt. Kotewa in February of 2024 and Officer Bass in May of 2024. Both officers served our community for numerous years and that kind of experience and community involvement is tough to replace. We continued to focus on developing local students from the area to meet the staffing challenges and select quality officers to serve our community. The three full-time police officers we hired during 2024 were all previous student interns with our department during their college years. We look to continue and build upon this successful staffing model with investments and improvements in our internship and CSO-Cadet programs. Staffing, employee development, and transitional planning will continue to be a focus as we move forward into 2025.

We ended 2024 with a slight decrease in calls for service over the previous year. We ended 2024 with 9070 calls for service, which was down slightly at 8.96% from 9963 calls for service in 2023. Part of that decrease in calls for service is attributed to being short several officers for a large portion of 2024. We also continued to see a significant drop from previous years in narcotics related offense categories during 2024 in part due to several state legislative changes in 2023. A complete breakdown of statistics can be found at the end of this report. I once again remind our community that the numbers and quantity of the calls handled by our department is not the main focus of our operations. Our focus always has been and will continue to be the quality of the service we provide for our community.

On a personal note, this will likely be the last annual report I will have the opportunity to present to our community. I am planning to retire near the end of 2025 after thirty years in law enforcement. The vast majority of those years have been spent here in Fairmont where I am very thankful for the opportunity to have served our community. I will end this letter as I have with previous years, we remind our community the initials for our department, **FPD**, stand for our motto, *Fair, Professional, and Dedicated*. We look forward to serving our community in 2025, and we again wish to thank the community for its continued support. It is truly a privilege to serve the Citizens of Fairmont.

Respectfully Submitted,
Chief Michael Hunter

2024 Staff Updates

Photo Credit: Fairmont Sentinel

Officer Shaylynn Anderson and Officer Derek Hughes

Photo Credit: Fairmont Sentinel

Officer Klay Brown

In 2024, the Fairmont Police Department had two officers retire from law enforcement and another officer leave Fairmont to pursue employment with another law enforcement agency. We took that opportunity to add several new faces to our lineup. In the beginning of August in 2024, we had Officer Derek Hughes move into his new role as a full-time police officer. Officer Hughes had previously been employed with the Fairmont Police Department as our first

Community Service Officer-Cadet. He also was a previous student intern for our department while he was enrolled at Bethany Lutheran College in Mankato. Officer Hughes is from rural Sherburn, Minnesota and is a graduate of Martin County West.

Near the end of August in 2024, we had Officer Shaylynn Anderson joined our department as a full-time police officer. Officer Anderson is from rural Welcome and is a graduate of Martin County West, who later graduated from Minnesota State, Mankato. Officer Anderson is also a familiar face with our department having been an intern while she was completing her degree at Minnesota State, Mankato.

And finally, in October of 2024, we saw the addition of Officer Klay Brown to our department as full-time police officer. Officer Brown is from the Granada area and is a graduate of Fairmont Senior High School. Officer Brown, like our other two 2024 new hires, was also a former intern with our department while he was attending Minnesota West Community and Technical College in Worthington.

Photo Credit: Fairmont Sentinel
Sergeant James Kotewa

In February of 2024, we saw the retirement of Sergeant James Kotewa. Sergeant Kotewa had been in law enforcement since 1995 and had been serving our community well before that as a Fairmont Police Explorer, Bike Patrol Officer, and part-time patrol officer. He was hired as a full-time police officer with Fairmont in 1997 and served as a Drug Task Force member as well as a Detective before being promoted to Sergeant in 2003. We thank Sergeant Kotewa for his service and wish him all the best with his plans for retirement. With the retirement of Sergeant Kotewa, Officer Colin Hagert was promoted to sergeant in May of 2024.

Photo Credit: Fairmont Sentinel
Officer Shannon Bass

Officer Shannon Bass had been in law enforcement since 1997 after starting with the Martin County Sheriff's Office and then stepping over to the Fairmont Police Department in 2001. Officer Bass served in numerous capacities during his years with Fairmont, but will most likely be remembered for his years as the School Resource Officer with Fairmont Area Schools. Officer Bass truly made a positive impact with our students, staff, and parents as the SRO. We thank him for his service and wish him all the best with his retirement plans. With his retirement as the SRO, Officer Lily Paine stepped into the SRO role with Fairmont Area Schools in August of 2024.

While we were short several officers for part of 2024, our normal staffing levels for the Fairmont Police Department in 2024 continued to be 18 listed at full time police officers, 2 part time police officers, two full time records technicians, one part time community service officer, and one part-time CSO-Cadet. We have a new full-time patrol officer starting in January of 2025 to put us at full strength. With that, we also anticipate a couple of additional retirements in late 2025.

2024 Officer of the Year

2024 Officer of the Year, Officer Justin Jobe
Officer Jobe at the 2024 Shop with a Cop Event

As 2024 came to a close, we had several officers that were worthy to be named Officer of the Year. This is a great problem to have, but it also makes the selection process very difficult. We asked officers to submit letters of nomination for their co-workers during January of 2025. With our nomination and selection process completed, we are very pleased to announce Officer Justin Jobe as the 2024 Officer of the Year.

Officer Jobe came to our department in April of 2023, but has a long history of service with the Truman Police Department prior to becoming part of our department. During that time, Officer Jobe and his family have been members of our Fairmont community and his commitment to our citizens and community is reflective in his involvement both on and off duty. While it is easy to get so focused in on the amount of calls an officer takes, Officer Jobe makes sure that his compassion and empathy for those in need it what comes through on those calls. We have seen Officer Jobe take the initiative to encourage and partner with other officers to continue with making sure our community programs such as Shop with a Cop and Cops and Bobbers are a success for numerous children and families in our community. Officer Jobe looked for support from our community members to secure donations for these events to make them a success. He did so without looking for any personal recognition in the process because his commitment was to the success of the event and the FPD team. During 2024, we were several officers short for most of the year and we saw Officer Jobe always putting the mission and focus of the department first during that time as we saw in his support of the schedule so that others were able to have needed time off during the year and our shifts did not run short. Officer Jobe continues to informally mentor our several new officers and shares his positive experience in the profession with a sense of pride that is greatly appreciated. His ability to balance his positive personal involvement in the community along with his professional obligations and commitment to our department and his co-workers are positive examples of being a community member, friend, and neighbor who is also a law enforcement officer.

We congratulate Officer Jobe as being selected the 2024 Officer of the Year. We believe his contribution to our team focus within our department and his commitment to our community is a positive representation of the Fair, Professional, and Dedicated service our officers provide in Fairmont. We look forward to the continued excellent level of service that Officer Jobe continues to provide for our community on a daily basis.

2024 Community Outreach

The Fairmont Police Department engaged in a variety of Community Outreach events in 2024 including our three flagship events: Fairmont Night Out, Shop with a Cop, and Cops & Bobbers.

2024 Fairmont Night Out

Fairmont Night Out is a great opportunity to thank the community for their support by serving a meal, and providing free admission to the Fairmont Aquatic Park. A variety of emergency vehicles were on display staffed by Fairmont Police Officers, Fairmont Firefighters and Mayo Ambulance. We served 600 hot dog meals with chips, cookies, and water bottles; all donated by Hy-Vee of Fairmont and Culligan Water of Southern Minnesota. After the meal, the Fairmont Fire Department challenged us to a round of best ball mini-golf on the city mini-golf course adjacent to the Aquatic Park. Our police team was victorious (again) and won the Mega Bowl.

See you at Fairmont Night Out in 2025!

2024 Shop with a Cop

Fairmont Police Officers hosted 11 children for shop with a cop in December. The parents of each child were provided gift cards to shop for groceries while their child shopped with a cop for gifts for the family. Wal-Mart employees and police officers' family members helped wrap their gifts. All gifts were paid for by generous donations from Wal-Mart, the Fairmont Lions' Club, O'Reilly Auto Parts Employees, and several other generous donations from people in the community. Fairmont Police Officers enjoy this holiday event as much as the kids that are chosen to participate.

2024 Cops & Bobbers

2024 was a record year for Cops and Bobbers. Not only was it the most fish we have ever caught, it was the highest officer and kid participation that we have ever had thanks to running the registration process through CER this year. We will look to partner with CER again in 2025. We received generous donations and deep discounts from Sommer Outdoors, the Fairmont Shell Station, Cabela's, and the Fisherman's Factory Outlet.

See you at Shop with a Cop and Cops & Bobbers in 2025!

2024 School Resource Officer

School Resource Officer Lily Paine with students from Fairmont Elementary

In 2017, the Fairmont Police Department entered into an agreement with Fairmont Area Schools, which commenced on July 1, 2017. This partnership re-established our former School Resource Officer position back in our local school district.

At the end of the 2024 school year, Officer Shannon Bass retired from the Fairmont Police department and his position as School Resource Officer. Officer Shannon Bass had served the community for over 25 years and had held the position of School Resource Officer since the fall of 2019. Many students were sad to hear he was leaving the role, and this speaks volumes on the positive impact he had throughout the schools.

At the start of the school year, Officer Lily Paine started her position as the new Fairmont School Resource Officer. Officer Paine has worked for the Fairmont Police Department since the spring of 2016. Officer Paine has an office at Fairmont Jr/Sr High School and regularly visits and works closely with Fairmont Elementary School. Officer Paine is also able to attend numerous extra-curricular activities to enjoy the opportunity to interact with the students and staff.

Officer Paine will continue to assist with promoting a safe learning environment for staff and students. Officer Paine also performs investigation of crimes committed on school grounds, being available to assist with projects and programs, and working to establish positive relationships and rapport with the students, staff, and families. Officer Paine interacts with

students daily and often visits classrooms to provide law enforcement related education as a guest speaker. Officer Paine has recently spoken to sophomore health classes on the topic of distracted driving and the 3rd grade classes on internet safety. Officer Paine also assists with Child Protection cases that involve any students, which are also reviewed by Human Services.

In 2024, Officer Paine continued the working partnership with the National Child Safety Council (NCSC). The NCSC is an organization that works with local businesses for donations and then provides educational material for all ages. Officer Paine was able to coordinate with Fairmont High School Health teachers and the school nurse, finding out what their needs were and getting them the correct material for their classrooms and office. Officer Paine was also able to get different handouts and coloring books for elementary school age children. Officer Paine again assisted with discussion in Health Class to illustrate the dangers and effects of alcohol and driving under the influence.

Officer Paine is also a resource and provides insight on issues that students may be having outside of school that may not be on the radar of school administration and social workers. Officer Paine also meets one on one with students who may be going through challenging times in their life to help them think of better options and make better decisions. Officer Paine also represents the Fairmont Police Department as part of the Martin County Substance Abuse Prevention Coalition, the Adopt-A-Cop program, and in 2024 was able to assist with putting on a bike rodeo for the kids at Fairmont Elementary School.

In 2024, Officer Paine continues to be a positive presence in our local schools. Whether checking on students in school or stopping at their homes for school staff, Officer Paine is always willing to assist. Officer Paine was also a positive presence at the elementary school and enjoys stopping in to chat with the children during lunch time or recess. She has learned you can never have enough stickers with or enough time for high fives. The Elementary School is easily a bright spot in the day.

We are very pleased to have this partnership and we thank the Fairmont Area School District and the community for their support of the SRO.

Throughout the 2023-2024 school year Arise Academy's part-time SRO was covered by a variety of Fairmont Police Officers as the position remained open after the retirement of Officer Murray from the prior school year. These open SRO shifts gave several officers the opportunity to work inside the school environment and directly with students more often than on a typical patrol shift. It was a great opportunity for several officers to learn they had an interest in SRO positions in the future as they become available in our community.

Recognition that both Officer Lily Paine and Officer Parker Stevens received from Arise Academy after their time filling in as part-time School Resource Officers during the 2023-2024 school year. During the following school year Officer Lily Paine is SRO for the Fairmont Area Schools and Officer Parker Stevens is SRO for Arise Academy.

2024 FPD – Social Media

The social media team utilized Facebook to promote events, department engagement and community relations to create 42 posts in 2024. The use of social media is governed by Fairmont Police Department Policy 339 and posts are retained in accordance with data practices law of the State of Minnesota.

Our goal with social media is to promote positive changes and happenings within the city. This offers citizens a view into the police department and what their officers are up to. In 2024, we gained nearly 350 followers totaling 4,641. The number of times our content was played or displayed topped 128,000 views.

A few of the top Facebook posts in 2024 based on views and reactions were the kick off to Adopt-A-Cop for the 2024-2025 school year, Halloween on Woodland Avenue and a friendly reminder to citizens of the downtown parking restrictions during winter months. Find us on Facebook by searching “Fairmont Police Department” or using the link on our website. <https://www.facebook.com/fairmontminnpd/>

<https://www.fairmontpolice.org>

2024 Adopt-A-Cop

2024-2025 Adopt a Cop Officers and the awesome 1st graders at Fairmont Elementary

In September of 2024, the Fairmont Police Department was once again able to hold their “adoption” celebration. This year the celebration took place in the Budd Room at Fairmont Elementary School. The adoption celebration was led by Chief Michael Hunter and it kicks-off the Fairmont Police Department participating in the Adopt-A-Cop program in partnership with the local first grade students in our community. During the adoption celebration, Chief Hunter presents each 1st grade class with a framed certificate and asks them if they are willing to adopt their new officer into their classroom. Once the adoption has taken place the officers and their new class head off to their classroom to get to know each other. Officers meet with their classroom at least monthly to participate in a variety of activities including reading books, assisting with class projects, presenting on safety topics, and enjoying the fabulous school lunch with the students. This year our officers were also able to attend their classes Winter Concert.

The focus of Adopt-A-Cop is to build positive rapport with children in our community by interacting with them early and often. By doing so, we are building relationships with our youth and starting positive conversations at home. The Adopt-A-Cop program originally began by Sergeant Michael Beletti in 2017 with the assistance of school administrative staff and the 1st grade teachers. Due to the program's success, St. John Vianney Catholic School, St. Paul's

Lutheran School, and Fairmont Christian School also adopted an officer into their 1st grade classrooms.

The Fairmont Police Department was very pleased to have eight officers adopted into five classrooms at the Fairmont Elementary School, the first grade class at St. John Vianney Catholic School, the first grade class at St. Paul's Lutheran School, and the first grade class at Fairmont Christian School. There is truly no more rewarding feeling for our officers than having an entire first grade class welcome you to be part of their room for the school year!

Officers who volunteered to help make the 2024-2025 Adopt-A-Cop program a great success include Sergeant Mike Beletti, SRO Lily Paine, Officer Parker Stevens, Officer Dayton Asmus, Officer Jason Christenson, Officer Justin Jobe, Officer Derek Hughes, and Officer Shaylynn Anderson. We thank all the schools and staff that have welcomed our officers into their classrooms and look to continue this as a yearly partnership with our schools, staff, and students.

Officer Parker Stevens reading to Mrs. Schmidt's 1st grade class.

2024 Emergency Response Unit (ERU)

In 2024, the Fairmont Police Department continued its association with the regional High Risk Entry and Arrest Team (HEAT). The team is a joint powers coalition that consists of approx. 24 tactical officers, two trained negotiators, three tactical dispatchers and two team medics. The team provides service to the Minnesota cities of Fairmont, Truman, Sherburn, Welcome, Jackson, St. James, Windom, Mountain Lake, Lakefield, Slayton and Pipestone, along with the Minnesota counties of Martin, Murray, Jackson, Rock, Pipestone, Cottonwood, Nobles and Watonwan. The team also provides service to the Iowa cities of Armstrong, Estherville, Spirit Lake, Okoboji, Arnold's Park, Milford, Lake Park, Spencer, Sheldon and Sibley along with the Iowa counties of Dickinson, Clay, O'Brien and Osceola. The HEAT Team provides coverage to an area of approx. 5000 square miles with a population of approx. 140,000 people. In 2024, the HEAT Team was activated 15 times and responded to situations ranging from barricaded armed suspects, to serving high-risk narcotics warrants.

Camp Dodge Military Base, Johnston IA - 2024

The team members are officers and deputies of the coalition agencies and conduct monthly training sessions as part of their membership. In 2024, the team also conducted a multi-day training at Camp Dodge, in Johnston, IA. The team conducts the multi-day training once a year to utilize the various military training facilities on base in a controlled and structured environment. All members of the team are required to carry their cell phones with them on and off duty, which is the method that the team uses to page out members for a request for assistance.

During 2024, the HEAT Team welcomed Osceola County IA to its coverage area, adding an additional 5000 population and 400 square miles. The HEAT Team was activated 15 times, a record high number in almost 10 years. Jackson County Sheriff's Office added a full-time medic to the team that is not a licensed police officer. All operators on the HEAT Team were issued new tactical vests and helmets by their agencies, replacing the 10-year-old previous equipment

2024 Call-Out Westbrook MN

In 2024, the team member from the Fairmont Police Department was Officer Josh Nelson. Officer Nelson is assigned the role as Team Leader. In this position, he is assigned to work with the command staff to assist with setting operations of assignment, training the team and assisting with administration finances. Officer Nelson is a firearms instructor for the Fairmont Police Department and has continued to bring training from the HEAT Team to the Fairmont Police patrol staff.

SOTA Conference – St. Cloud MN 2024

2024 FPD Fleet Vehicles

In 2024, FPD transitioned four of the five primary patrol squads to Dodge Durango's. The reason for the transition was due to Ford Explorers becoming unavailable during the time leases were set to expire. Patrol officers welcomed the change and a few safety features were integrated into the build, including reduced brightness of emergency lights during nighttime hours.

Fairmont Police Department's squads are fully equipped with the latest technology and equipment, allowing officers to effectively perform their duties. Equipment is replaced on a designated rotation schedule with old equipment being sold on auction to other police agencies. One of the useful pieces of technology is the synchronization of our body worn camera and squad camera. Both cameras automatically activate with the press of a single button or emergency lights trigger the system. Our squads have the ability to automatically upload squad and body worn camera video, wirelessly via a secure network server at the Law Enforcement Center.

Our fleet consists of four All Wheel Drive (AWD) Dodge Durango's, five AWD Ford Explorers, one Ram 1500 and one Ford F-150. Our department has a mix of owned and leased vehicles depending on the assignment. The majority of our marked squad cars are leased on a three-year rotation through the State of Minnesota Fleet Services, which allows for a savings of operational costs with all maintenance and repairs being paid for by Fleet Services. There are times that we opt to extend our lease at a significantly reduced cost in cases of low mileage at the end of the original lease. Our Current Fleet consists of fully marked patrol units, unmarked units, and a Community Service Officer truck.

Fairmont Police Department's Mobile Command Trailer is utilized at crime scenes, major incidents, or public relations such as the Martin County Fair. Progress is continuing on the revamp of the Mobile Command Trailer to update equipment.

2024 FPD Website

In 2024, we updated several forms available to citizens on our website that can be found in the helpful resources or forms tab. An updated version of the policy manual will be posted to the website in January as well. The policy manual is a complete copy of our entire policy manual, not just the mandated policies which Minnesota POST Board requires be available to citizens.

Browsing our website will provide useful information about our agency, including biographies of all officers, news articles related to the police department and useful links to other agencies. Although our contact information is listed on the website, citizens are able to contact us using the online "Send us a message" tab or leave a tip under the Narcotic's Enforcement tab.

2024 Records and Evidence

The Fairmont Police Records Division was once again staffed in 2024 by Records Technicians Tegan Quade and Lorie Nuss. Tegan Quade has been serving since October of 2009 and Lorie Nuss joined the department in January of 2022. Our records division is responsible for numerous assignments including outstanding customer service at the Law Enforcement Center. They are also responsible for reviewing and processing data requests, reporting crime stats, maintaining our records system, processing gun permits to purchase and responding to requests from various attorneys. Our records staff also does an outstanding job of maintaining and organizing our evidence room, tracking property and evidence, maintaining record retention schedules, and transcription of statements. They also provide administrative support to the Chief, Captain, and Patrol Officers. A large part of 2024 was dedicated to working on expunging records that were a part of the Adult-Use Cannabis Act that was recently passed in Minnesota. Our agency had 269 counts to expunge with additional counts expected to be added to this list during the 2025 year. In addition to the recent Adult-Use Cannabis Act, in 2025 the state will roll out the Clean Slate Act, which adds additional expungements.

We greatly appreciate the quality of work and the focus on customer service that our Records Technicians provide to our community. As the state continues to change and update laws and reporting requirements each year, the duties and responsibilities we place upon our records technicians continues to grow. We appreciate the quality of the daily work they provide in support of the services we provide to our community.

2024 MCSAP (Martin County Substance Abuse Prevention) Coalition

MCSAP is a coalition of caring community members dedicated to preventing underage drinking, marijuana, and other drug abuse in Martin County, Minnesota. MCSAP also received a new grant in 2024 to include prevention focused on teen suicide. This new grant will span at least three years and is a new topic for MCSAP to add to its education and prevention programs. Coalition members are in the first phases of developing programs for this grant.

In 2024, MCSAP held another Teen Truth Assembly and Teen Truth Youth Leadership Summit with the students of Fairmont Jr/Sr High School. During 2024, Officer Paine and MCSAP continued to assist in the health classes, supplying Impaired Vision Goggles for students to wear while driving peddle carts. This helps the students learn the effects of drugs and alcohol behind the wheel. Officer Paine continues to work with MCSAP sharing ideas and attempting to reach students throughout Martin County. Vaping education has continued to be a popular concern in our area schools.

MCSAP also consists of a student led group called Empower. There is an Empower student led group in all the schools in Martin County. Empower and MCSAP work hand and hand to organize and produce different ideas to bring the community and the youth together. MCSAP and Empower were able to organize the Red Ribbon Week for Fairmont High School, which included four different theme days. MCSAP, with the student help of Empower has also sponsored and organized a couple different Free Fun Nights and free bowling at the bowling alley. In addition, in 2024 MCSAP along with all of the other countywide Empower groups teamed together to host a countywide Halloween dance again. The event featured free food, games, costume contest, and door prizes.

The Fairmont Police Department has been an active member of the Martin County Substance Abuse Prevention (MCSAP) Coalition since it was founded in 2011 as the Fairmont Substance Abuse Prevention (FSAP) Coalition. FSAP was funded through a five-year grant provided by the MN Department of Human Services, Alcohol and Drug Abuse Division. In 2016 a federal Drug - Free Communities grant was awarded to expand efforts throughout Martin County. MCSAP is a group of caring community members, school staff, students, elected officials, media, law enforcement, spiritual and business leaders who work together to prevent underage use and abuse of alcohol, tobacco, and other drugs in Martin County youth. MCSAP primarily works to share resources, ideas, and information to raise community awareness to create lasting community change through universal prevention strategies.

MCSAP also collaborated together with Officer Parker Stevens from the Fairmont Police Department and the Martin County Sheriff's Office to offer free Responsible Beverage Server Training to community members at multiple locations throughout the City of Fairmont and Martin County. Officer Dayton Asmus also worked with MCSAP in providing a free online Tobacco Sales Education training as well as completed compliance checks throughout Fairmont.

We are very pleased to be a part of this hard working group and the positive impact they are making in the Fairmont and Martin County area. If you would like to join and be part of the MCSAP team, meetings are held the second Thursday of the month at 11:30am at the SMEC building.

Officers assisting with MCSAP activities for sophomore students in 2024.

2024 Animal Control and Code Enforcement

In 2024, Community Service Officers Brad Buhmann and CSO-Cadet Derek Hughes handled 423 calls for service including 178 ordinance violations, 116 animal complaints and 98 parking complaints. These statistics represent a decrease in overall calls for service. CSO's were also helpful with assisting the department with the placement of speed signs and the speed trailer, as well as assisting with squad maintenance, evidence, and equipment. We would like to congratulate CSO-Cadet Hughes who graduated from college and was then hired as a full-time police officer in August 2024, being the first successful CSO-Cadet to make this transition.

CSO Buhmann remains dedicated to our department and community to assist citizens with handling a variety of issues. Common themes concerning ordinance violations were long grass, un-shoveled sidewalks and parking violations. CSO's would like to remind citizens that vehicles parked on public streets must be moved within 24 hours to remain compliant. These complaints are commonly reported to the police department.

Numerous animal complaints were handled with a majority being barking dogs and loose dogs. A friendly reminder that pets need to be under control of the owner/responsible person and a license for dogs & cats must be obtained at City Hall. The cost of a two-year dog/cat license is \$10.00. Your pets must be up to date with vaccinations as well.

In June of 2024, the Fairmont Cleanup Day was another great success. Community members donated their time and vehicles to assist people in the community that need help removing junk items from their homes, yards and garages. Our local Sentence to Service Crew also assisted in the clean-up efforts. Special thank you to Fairmont City Council Member, Randy Lubenow for assisting with these efforts. Our community stepped up again by donating unused City of Fairmont coupons to help others with clean-up day. CSO Buhmann distributed the coupons, which was beneficial to those in need. We are working with City Hall on updating our ordinance compliance procedures for 2025 in looking for ways to most effectively resolve ordinance issues for our community.

2024 Alcohol Sales Education and Enforcement

Responsible Beverage Server Training

Tuesday, May 21, 2024

SMEC Building Auditorium (Basement) • 115 Park St, Fairmont
Choose Either AM or PM Session • 11 AM - 12 PM OR 5 PM - 6 PM

What is Responsible Beverage Server Training (RBST)?

RBST refers to educating owners, managers, servers, and sellers at alcohol establishments about strategies to avoid illegally selling alcohol to underage persons or intoxicated patrons.

DO YOU:

- ✓ ever serve alcoholic beverages as a volunteer at fundraisers/community events?
- ✓ own or work for a business that sells/serves alcoholic beverages?

TWO FREE TRAININGS
LOOK FORWARD TO SEEING YOU THERE!

For more information, contact:
Shelly Larsen at MCSAP Coalition: 507-399-1062
Law Enforcement: 507-238-4481

Training approved by the MN Department of Public Safety, Alcohol & Gambling Division

The Fairmont Police Department prides itself on being a professional and pro-active law enforcement agency. The sale of alcohol is a legitimate business that plays a valid role in our community but selling alcohol is a privilege that has responsibilities attached to it. Our goal is to keep our community safe of alcohol related deaths and injuries. We work toward that goal by providing education to help keep our area businesses & servers protected from criminal & civil liability and through alcohol compliance checks of area businesses. We are thankful for the positive relationship we enjoy with area businesses, and we strive to work together.

On an annual basis, the Fairmont Police Department, in partnership with the Martin County Substance Abuse Prevention (MCSAP) Coalition, offers "Responsible Beverage Server Training" (RBST) to all employees of businesses licensed to sell alcohol within Martin County. The course educates servers on the laws governing the sale of alcohol, how to properly check identification, and how to help the business avoid civil lawsuits. The training is also offered upon request for seasonal employees or special event volunteers within Martin County. RBST is free of charge to all attendees and each attendee receives a certificate of completion after attending the training.

The Fairmont Police Department conducts alcohol compliance checks of all businesses licensed to sell alcohol within the City of Fairmont. These checks are done during the twelve months following the annual training offered to business employees. The purpose of the compliance checks is to enforce liquor sale laws within the City. Our goal with the annual checks is 100% success from all businesses by denying sales to all underage buyers and subsequently all persons under 21 that attempt to purchase alcohol. In 2024, Officers with the assistance of an underage buyer conducted compliance checks on all of our local businesses that held a liquor license in the city of Fairmont and proud to announce all of the establishments refused service to the underage buyer. We are hoping for this continued success moving forward into 2025! Responsible Beverage Server Training and compliance checks are organized and coordinated by Officer Stevens, Officer Dayton Asmus, and Shelly Larson with MCSAP.

2024 Department Training

The Fairmont Police Department takes it upon ourselves to administer a training program that will provide for the professional growth and continued development of our personnel. By doing so, the department ensures that our personnel possess the knowledge and skills necessary to provide a professional level of service that meets the needs of the Fairmont Community. In 2024, we continued to offer our officers a variety of professional trainings, which meets and exceed the Minnesota Peace Officer Standards and Training requirements and guidelines.

We continued to incorporate cost savings training with internet-based training with our enrollment in PATROL, which stands for Police Accredited Training on line. This program is developed and sponsored by the League of Minnesota Cities. The use of online technology for training is a huge savings in our department's budget. Officers have the opportunity to complete monthly online trainings classes during their shift that save on the cost of overtime, travel, registration, and other costs associated with traditional onsite training classes. The cost of the online training averages out to be approximately \$5 per POST credit, which is very cost effective for our Department. This also allows our officers to complete all our of yearly OSHA required training while on duty along with approximately 22 hours of Crisis/Conflict and Community Diversity trainings that are required every three years by the POST Board.

The training program continues to be supervised by Sergeant Sanow, is also responsible for the training and supervision of newly hired officers in our Field Training Program. In 2024, our field training program provided structured training to our three newly hired full-time officers. Our current field-training officers are Sergeant Sanow, Sergeant Hagert, Officer Paine, Officer Schwebke, and Officer Stevens.

Our officers also completed the yearly POST required trainings, which include two firearms qualifications, and use of force training. We continued to place a focus on employee leadership and development in 2024. Three Sergeants and the Chief of Police attended a weeklong FBI LEEDA Command Leadership Institute training. One officer attended the Minnesota Police of Chief's Association Supervisor Leadership Development Training and one sergeant attended

three of the trainings for the Minnesota Bureau of Apprehension Supervision and Management Program. Also in 2024 our training program provided numerous hours of structured training in which an officer attended DMT-G (Data Master) training, two officers attended Standardized Field Sobriety Training, one firearms instructor attended advance firearms training, and two use of force instructors attended instructor training and Taser instructor training.

2024 CONTROLLED SUBSTANCE INVESTIGATIONS

During 2024, the Fairmont Police Department worked together on multiple narcotics cases and arrested multiple individuals on felony narcotics charges. Officers from our agency were able to work with information provided by concerned citizens, interdiction traffic stops, and traditional investigation and case development to enforce the drug laws in our community. Our agency looks to continue its investments into training opportunities for its officers in specialized areas of narcotics recognition/safety/investigations, and narcotics traffic interdiction.

In 2024, there were six individuals in Fairmont arrested for drugs categorized as Dangerous Non-narcotics, which is the category that includes methamphetamines. This category is down 66% from 2023 that ended with 18 individuals arrested in the same category, and is a large decrease from 44 individuals arrested in this category from five years ago in 2019. While the large decrease could be interpreted several ways, it is a direct result of the recent legislative changes in several narcotic related statutes by the Minnesota Legislature. It is too early to tell how these changes in the narcotics statutes will affect other statistics, criminal activity, and family and social issues within our state and our community. We hope the Legislature reflects upon the impact of these statute changes and understands how those changes affect more than just a criminal statistic.

The Fairmont Police Department continued a close partnership with the Minnesota River Valley Drug Task Force (MRVDTF) in 2024, working together to resolve local narcotics related issues. There has been a large increase in fentanyl related issues throughout our state and southern Minnesota is also beginning to see that impact. As we begin 2025, the Fairmont Police Department is once again looking to continue a focus on local narcotics education and enforcement by continuing to utilize the Narcotics Resource Officer program. This local effort will continue focusing on being our coordinated resource for structured information and enforcement within our department during 2025. The Officers assigned to the NRO team are Sgt. Colin Hagert and Officer Parker Stevens. If you would like to provide information on illegal drug activity to the NRO team, please visit our website fairmontpolice.org and click on the Narcotic Enforcement to leave a tip.

2024 Fairmont Crisis Intervention Team

Minnesota Crisis Intervention Team

Police Officers are first responders to people in crisis who are struggling with mental illness. First responders need to know how to handle these calls differently and effectively. Crisis Intervention Training teaches officers how to build rapport with people in crisis to help deescalate the situation. This has proven to dramatically decrease the risk of injury or death to officers and people in crisis.

The Fairmont Police Department had four officers who were trained in Crisis Intervention. These officers comprised our Crisis Intervention Team. Due to recent retirements, Sgt. Bless is the only remaining CIT training officer. The Fairmont Police Department anticipates adding new CIT officers to the Crisis Intervention team in 2025. To be a CIT officer, applicants must complete an intensive 40-hour training hosted by the Crisis Intervention Team of Minnesota. The focused training uses actors to portray real life mental health crisis events that officers respond to as part of their daily duties. The goal of this training is to provide officers with tools to provide the best possible service to members of our community dealing with a mental wellness crisis.

The Crisis Intervention Team (CIT) is focused on assisting community members with access to medical and addiction services rather than placing them into the criminal justice system due to their behaviors if possible. This also promotes officer safety and the safety of the individual in crisis. The Fairmont Police Department is committed to continued growth and education in areas of de-escalation and crisis intervention to provide safe and appropriate services in our community.

2024 Police Civil Service Commission

*2024 Fairmont Police Civil Service Commission members
John Korsmo, Paula Eppens, Bryan Boltjes*

The Fairmont Police Civil Service Commission is comprised of three community members who are responsible for providing civilian assistance and oversight to the Fairmont Police Department with regards to personnel related issues including initial hiring, promotions, discipline, and other civil service related activities. The Police Civil Service Commission adheres to the rules and regulations set forth in the Police Civil Service Commission policy book and Minnesota State Law. Police Civil Service Commission members are appointed by the Mayor to a three-year term upon the approval of the City Council.

In February of 2024, the Commission held its yearly, required in person meeting. During the year, a fair amount of Commission business is conducted by email. For 2024, the Fairmont Police Civil Service Commission was comprised of community members John Korsmo, Paula Eppens, and our new Commission member Bryan Boltjes who started his three-year term after appointment in January of 2024. These Commission members volunteer their time to insure that the voice of the community we serve is heard with regards to the operations of the Fairmont Police Department. We thank our current Commission and look forward to continuing our positive working relationship with our Commission members in 2025.

2024 Tobacco Education and Compliance Checks

The Fairmont Police Department continues to take a proactive stance on sales of tobacco within our community and ensuring that all businesses within our community are making the same efforts to keep tobacco and tobacco related products out of the hands of our youth. It has been four years since the enactment of new tobacco laws for the state of Minnesota. The new laws relate specifically to the sales of tobacco, rather than the purchase of tobacco, in an effort to hold the seller responsible, rather than the buyer. The legal buying age was changed from 18 years of age to 21 years of age.

In 2024, we continued an online training format presented to local retailers rather than in person training. This was due to in person training generally bringing a low number of participants over the last several years. The expectation was that this change would allow retailers to have their employees complete the training online while they were at work rather than having to coordinate a way to send all of their employees off site to a single day training. A certificate of completion is presented to each user through the website after they complete the training portion and are successful in passing a final quiz.

In May, the training information and notification of upcoming compliance checks were delivered to all tobacco retailers within the city limits. A few months later, tobacco compliance checks were conducted within the city of Fairmont with the assistance of a 17-year-old undercover buyer. There were 13 active and operational licenses in the city of Fairmont at the time. The 2024 compliance checks were a huge success, with all 13 retailers refusing to sell tobacco or nicotine to the underage buyer due to the buyer not providing a valid identification to show proof of age.

The Fairmont Police Department will continue to work with our local tobacco retailers, as 100% compliance is our main goal to ensure the safety of the youth in our community. We thank our local businesses for helping us achieve this goal in 2024.

2024 Citizens On Patrol (C.O.P)

The Citizens On Patrol (COPs) program has been active for over 15th years serving the citizens of Fairmont. The 2024 COP team, comprised of local VFW Post 1222 members were: Harry Brumbaugh, Steve Langford, and Darrel Krahler. Harry Brumbaugh served as the leader and coordinator for the group as well as being the liaison to the Fairmont PD. Captain Eric Tonder supervises the COP Program for the department.

COP members volunteers their time to help the Fairmont PD function more efficiently by assisting with events, which require additional people. They are equipped with a light blue polo shirt, jacket, flashlight, and OC spray. Each member proudly wears their VFW Post baseball cap in recognition of their honorable service to our country and their membership to the organization. COPs receive training on OC usage and conflict resolution. Their duties are to observe and report, not to directly engage in any conflict or intercede in criminal activity they may observe.

The COPs provided foot patrol and security at the Martin County Fair to help maintain a safe and fun atmosphere for all fair attendees. COPs have a proud history of quickly assisting in locating children that were separated from their parents. Throughout the year, our COPs provide traffic control assistance & patrol for the IHD Parade, July 4th fireworks, Woodland Halloween, Glows Parade, and street dances.

The COPs service to the Fairmont PD and this community throughout the year is greatly appreciated. They donate hundreds of hours of their time annually, often during the holidays & weekends. We are very thankful for their dedicated service to the department and the citizens of Fairmont. We hope that area residents will take the time to thank a COP for volunteering their time and for their military service to our country.

2024 Treatment Court

The FMJC Adult and Family Dependency Treatment Courts, often referred to as “Drug Courts,” are a multi-county (Faribault, Martin, Jackson, and Cottonwood) drug court that combines the participating counties to form one court. The program is made up of one staffing team, one steering committee, and one policy manual. All court hearings take place in Fairmont, MN at the Martin County Courthouse. The court is unique as it provides a closer working relationship between chemical dependency treatment and the criminal justice system; which includes professionals from prosecutor offices, defense attorneys, law enforcement, probation, mental health professionals and district judges.

Law enforcement plays an important role in FMJC Treatment Court program. Fairmont Officers conduct over 300 in person random checks on participants in the program throughout the year in 2024, more than any other participating law enforcement agency. Officers make sure the participants are not under the influence, following curfew requirements, conducting random drug & alcohol testing, and assessing the well-being & needs of the participants during their contacts. Officers also have the opportunity to build rapport with participants by having positive contacts with them during their checks.

The court assists with early intervention, treatment, and rehabilitation of non-violent high risk & high need offenders who are assessed as being chemically dependent. It provides an excellent opportunity for those who wish to change circumstances in their lives and break the cycle of chemical dependency. The minimum time a participant must be in the program is 18 months and participants must plead guilty to their offense(s) prior to being accepted. If a participant drops out or is removed from Treatment Court for non-compliance may be sentenced to jail or prison for the prior offense(s).

Our goals are to support the administrative personnel and the participants who are in Treatment Court by doing our part to help them succeed in the program and in their own future. We look forward to continued success of the Treatment Court program and the participants.

2024 Emergency Operations Plan

On March 9, 2020, The Fairmont City Council voted to unanimously approve Resolution 2020-16 and the adoption of the Fairmont Emergency Operations Plan (EOP). This plan was developed as a partnership between the Fairmont Police Department and the Martin County Sheriff's Office Emergency Management Division. The plan was originally developed in April of 2018 with a draft revision started in October of 2018. The final project was presented to the Fairmont City Council for review and approval in 2020. The EOP was reviewed and revised every January since 2020, which included January of 2024. Our goal is to conduct a yearly review and revision to continue to keep the EOP current and up to date to provide a frame work for operations for our community during their time of need. We greatly appreciate our partnership with the Martin County Sheriff's Office and their work on this project.

General Statistical Information

The following pages contain general statistical information regarding the categories of calls for service handled by the Fairmont Police Department in 2024. The information is also broken down to show the number of calls categorized by the day of the week. In 2024, Tuesday accounted for the most calls for service, which was a minor change from previous years including 2023 where Monday accounted for the most calls for service. The leading categories in calls for service in 2024 were consistent with previous years and continue to be: Traffic Stops, Animal Complaints/Bites, Escorts, Directed Patrols, Information Calls, Civil Calls, Parking Offenses, and Ordinance Violations. Upon review of the calls for service by time of day in 2024, 2100-2200 (9pm to 10pm) was the highest call for service time frame which is the same as 2023. In 2024, 0400-0500 hours was the lowest calls for service time when in previous years it was 0500-0600 with the exception of 2023 which 0200-0300 was the lowest time frame for calls for service.

In 2024 our officers responded to 9070 calls for service per our IBR records. This is a slight decrease of 8.96% from 2023 where we ended with 9963 calls for service. Our Part I and Part II Crime Rates are reported annually to the MN State BCA and then the federal government. We are assigned a crime rate calculated at per 100,000. The number assigned is not the actual total number of crimes that occurred, but is converted to a crime rate based upon a population of 100,000 for equal comparison to other municipalities. In 2024, our Crime Rate was reported at 4595, which is a nice decrease of 13.22% from our final 2023 Crime Rate number of 5295, and a significant decrease of 48.08% from five years ago when our final reported rate was 8850 in 2019. Several factors play into these figures including significant changes in our state laws regarding certain drug related offenses, but we are very pleased to see this downward trend in Part I and Part II crimes continue, and look to work with our community partners to make that happen.

Following the information on calls for service, you will find Drug Arrest Information by Category for 2024, 2023, and for comparison the information from five years ago for 2019. These are the arrest numbers reported to the State of Minnesota. The information again shows a significant decrease during 2024 of 66% in arrests for the category “Dangerous Non-Narcotics”. This category includes methamphetamines and is a very significant decrease over the numbers in that category from 2019. There were 6 arrests in that category in 2024 along with 18 arrests in 2023 and 44 in 2019. Arrests for drugs in this category greatly decreased in 2024 due to recent legislative changes that decriminalized drug paraphernalia included those items that contained methamphetamine residue. The numbers for marijuana/cannabis related offenses were greatly impacted with the legalization of recreational cannabis for adults. We will see over the next few years how this legislation will possibly affect other areas of our community.

2024 Vehicle Crash Information

Vehicle crash information stats charted below only includes vehicle crashes that meet the criteria to be reported to the State of Minnesota. It does not include accidents with less than \$1000 damage, accidents that occur on private property, accidents that are reported only for information purposes, or information exchanged by parties involved. Our overall numbers in 2024 reported to our agency are 179 property motor vehicle crashes, 46 hit and run accidents, 1 fatality, and 18 accidents with injury. These stats are similar to the previous year of 2023 with 193, 47, 0, and 16 respectively. Those incidents reported through our dispatch are investigated and if they fit certain reporting required criteria for the State, they are entered into the MN Crash Report System.
